

**Introduction of the guest speaker remarks by Cllr Nkele Milanzi during Eric Louw High School Prize Giving Ceremony on Monday 17 October 2016**

Thank you Programme Director for giving me this opportunity to introduce our guest speaker.

A teacher by profession, tonight's guest speaker comes with a wealth of experience both educationally and politically.

Besides holding qualifications in teaching, she also has qualifications in computer studies, public administration and municipal finance management.

The guest speaker worked as a Superintendent for Waste, Parks and Recreation in Musina Municipality and later became a councillor representing Musina in Vhembe District Municipality where she served as a portfolio head of planning and development and as a portfolio head of finance.

Between 2003 and now she held the following positions in the African National Congress:

- Deputy Chairperson of the ANC Youth League in the Obed Mashaba branch
- Deputy Chairperson of Musina Youth Council
- Member of the Vhembe regional structure of the ANC Youth League
- ANC Youth League Vhembe regional Treasurer
- ANC Youth League Executive Committee member of the Obed Mashaba Branch
- ANC Women's League Executive committee member of the Obed Mashaba branch
- Chairperson and Secretary of the Obed Mashaba Branch of the ANC Women's League
- Deputy Secretary and member of the Regional Working Committee of the Vhembe regional ANC Women's League
- Secretary and Deputy Secretary of the Obed Mashaba ANC Branch and member of the Executive Committee of the ANC Vhembe Region.
- She is currently the Treasurer of the ANC in Vhembe Region

She also served in different capacities within the Young Communist League (YCL), South African Communist Party (SACP) and South African National Civic Organization.

Following the above hard work and dedication, the ANC felt it was proper to deploy her as the Mayor of Musina Musina Municipality.

The name of our guest speaker is Councillor Mihloti Muhlope. Can we please all rise as she takes over the podium? Thank you
