Thank you Honourable Speaker

Councilors and administrators

Na vhatu vhothe vhare fhanu Council Chamber masiari ano.

A very good afternoon.

Our Council is meeting at a time when the South African and Mozambique governments are organizing the 30th anniversary of the tragic death of the late Mozambique president, Samora Machel due to take place on Monday, 17 October 2016 at the Samora Machel Museum in Mbuzini, Nkomazi Municipality, Mpumalanga Province.

Provincially, we have launched the October Transport Month here in our municipality on Tuesday. This is a vital step towards making sure that our roads are safe at all times.

At local government level, we have just re-affirmed our inclusive governance mandate by conducting a highly successful mayoral imbozo at Masisi last week.

The communications management meeting which took place in Ward 12 recently truly reflects that we don't want to leave our people behind in terms of development and participatory communications.

We are also delighted that our municipal team has done well by scooping 10 medals during the recent SAIMSA games at Mahikeng, North West. All the above is a reflection that we are moving towards the right direction in relation to service delivery as a municipality, province and the country at large.
