

NOTES FOR SABC TV MAYOR'S INTERVIEW

27 OCTOBER 2016 @ 12h00

ON NEW MUSINA MALL

- Sod turning was on 21 January 2016
- Total project value - R320 million
- Expected completion date: March 2017
- 500 jobs created during this construction period.
- Another 500 jobs will be created upon completion
- Total space – 34 thousand square metres
- Will house some major national and international retailers
- Musina Mall will enhance economic development since Musina has been declared one of the provincial growth points.
- The mall is a partnership between Musina Municipality, Investec and the Moolman Group.
- The mall will influence the highly effective cross-border trade

ON SPECIAL ECONOMIC ZONE

- More than R40 billion rand has been secured through the interaction of government and investors
 - Logistical work has already started
 - It will be a logistic hub which will create 19 000 jobs to be created.
 - We encourage our people to go to schools, vocational colleges and universities to be fully prepared.
 - It will include several activities like a steel plant, cooking coal plant and a power station.
 - We are full prepared for this big investment
 - Will help to achieve our dream of becoming a city
-
