

Keynote address by Her Worship Mayor of Musina, Cllr Mihloti Muhlope during the Mayoral Imbizo at Lesley Manyathela Stadium on Thursday 28 June 2018

Programme Director

Makhanselara ashu

Vhaimeli vha dzi **stakeholders** dzashu

Dzi **government departments** na dzi **NGOs**

Mirado ya dzi **ward committees**

Vhaofisiri vha maspala

Na vhadzulapo vhothe vhothe vha Musina

Ndi a vha resha

Ndi khou livhuwa fhiwa tshifhinga hetshi uri ndi ambe na vhadzulapo vha Musina. Ndi a zwi divha uri vhadzulapo duvha heli vho vha vho li lindela vhukuma. Naho dzi **programme** dza maspala dzi nnzhi, ro vhona zwo tea uri ri **suspende** zwinwe uri ri kone u kwamana na vhadzulapo vha Musina namusi.

We know uri hu na mitangono ya fhambanaho ine vhadzulapo vha nga netshedza mihumbulo yavho malugana na ndisedzo ya tshumelo. **Besides IDP meetings** ro vha dzi **ward meetings** kha dzi **ward** dzothe dza Musina. Hezwi zwa namusi ndi u tou khwathisedza **democracy** na u khwathisa tshumisano na tshitshavha.

Tshitshavha tshi do zwi humbula uri ro **risiva memorandum** une wa khou bva kha vhadzulapo **last month**. Ro do vha na mutangano na dzi **representatives** dza vhadzulapo nga dzi **05 June** he ra vha fha dziphundulo na u sumbedzisana uri ri do shuma hani u ya phanda. Kha wonoyo **meeting**, dzi **representatives** dza vhadzulapo dzo ri fulufhedzisa uri dzi do vhidza tshitshavha uri vha vha fhe **feedback**. Ro dovha hafhu ra tendelana uri **after community** yo no wana **feedback**, maspala u do kona u **organaiza** imbizo hei ya namusi.

Naho maspala u na dzi **challenges** fhala na fhala, ri khou ita zwothe u vhona uri **service delivery** i khou ya vathuni nga ndila yo fanelaho.

Kha vha ri ndi vha fhe **summary** ya **service delivery** kha **urban area** ya Musina.

Zwi tshi da kha mavhone, **we are happy to announce** zwauri **there is no backlog on electricity supply in the urban areas of Musina**.

Refuse removal ri khou i ita **once a week** kha dzi **household** dzothe.

Dzi **public institutions, government buildings and commercial properties** ri dzi **sevisa** duvha na duvha.

Kha **the current financial year**, ri khou netshedza tshumelo dza mahala kha **households** dzi fhiraho **3 000 at a cost of over four million rand**.

Havha ndi vhathu vhane **joint family monthly income** ya vha **R3 500 or less**. **Household** inwe na inwe i wana **6 kilolitres of water, 55 kilowatts of electricity** na **100% free sewer and refuse removal services every month**.

Zwi tshi kwamana na u sika mishumo, zwa zwino kha maspala washu ri na **190 formally unemployed community members** vhane vha khou shuma kha **EPWP**.

Mafhungo a **cable theft** ri kho tea u lwa nao hu si na **compromise**. Vhathu vhane vha khou tshwa dzi **cable** ri dzula navho. **Let's expose them** uri vha pfiwe vhutungu ha mulayo.

Cable theft has a very negative impact on service delivery ngauri zwi ita uri hu vhe na **interruption of water and electricity supply**.

Kha ri shumisane na mapholisa u lwa na vhugevhenga hovhu **ha cable theft**.

Kha sia la pfunzo, ri khou shuma nga maanda u bvedza vhana vha Musina phanda. **The mayoral bursary scheme has produced six more graduates** vhe vha fhedza dzi pfunzo dzavho. Havha vhana vho fhiwa zwikhala zwa dzi **contract** dza mushumo hene fha maspala washu.

In the past six years, bursary ya Meyara yo no bvedza **graduates** dza 15 vhane na vhone vha kha dzi **various departments within the municipality**. Zwazwino ri na vhana vha **11** vhane ra khou vha thusa nga masheleni u isa pfunzo dzavho phanda.

Zwa zwino **Special Economic Zone** i khou da fhanu Musina. Heyi ndi **investment** ya muvhuso ine ya do sika mishumo i swikaho **20 000**.

Let's encourage vhana vhashu uri vha ye zwikoloni u itela uri vha vhe vhone vhane vha do shuma kha hei **project**. **Good news** ndiuri Vhembe TVET College i khou da u vula **campus** fhanu Musina. **We have also provided accommodation for the campus**. **Delay** zwazwino i kha **management** wa TVET, fhedzi vho ri fulufhedzisa uri vha do thoma hu si kale.

When it comes to vhudavhidzano, ri a lingedza nga ndila dzothe uri vhathu vha wane **every information from the municipality**. Ri khou humbela uri vhathu vha ise **contacts** dzavho kha ofisi yashu ya **communication** uri vha kone u wana dzi **sms** dza zwithu zwothe zwine zwa khou bvelela kha maspala wavho.

Hu na mafhungo manzhi ane a khou ambiwa *in relation to tshigolodo* tsha Eskom.

Council hei i tshi dzhena *two years ago, the municipality was owing Eskom over one hundred and forty million rand. Last year* fhedzi ro fhungudza tshigolodo u swika kha *one hundred and fifteen million rand*. Eskom yo bvisa *notice last month* uri ri khou goloda *seventy two point two million rand*. Zwa zwino ndi tshi khou amba, *we have drastically reduced the debt to fifty three point six million rand*. Ri khou lavhelela uri tshigolodo hetshi ri do vha ro tshi fhedza *next year* nga **March**.

Vhadzulapo vha nga vhudzisa uri zwi da hani uri maspala u golode Eskom ngeno vhone vha kha *pre-paid*. **There are many factors** dzo itisaho uri ri diwane ri kha **situation** hei. Zwinwe zwa hone ndi zwi tevhelaho.

Hune vhathu vha shayaho vhane ra khou vha nea mavhone a mahala vha fhiraho **3 000 every month – which is over four million rand a year**. Dzi **pump** dzashu dzi bommba madi **24 hours every day** hangei **Limpopo River** nahone dzi toda mudagasi munzhi.

Fhano Musina doroboni na **location** ri na dzi **street lights** dza 1 383 na dzi **Apollo lights** dza 44. Hedzi dzi **streets lights** na dzi **Apollo lights** dzi funga **all night long** duvha na duvha nahone dzi da kha **account** ya maspala. **You will understand that Apollo lights need a lot of electricity on daily basis**.

Tshinwe hafhu, ri na zwiimiswa zwa **community** zwine zwa shumela kha dzi **building** dza maspala dzine dza si badele mavhone – sa radio yashu ya Musina ine ya shumisa mavhone **24 hours a day – for the past ten years**, ngeno **consumption** i tshi badeliwa nga maspala.

Ri khou balelwa u ita dzinwe dzi **services** dza maspala ngauri vhadzulapo, dzi **departments**, zwikolo na dzi **business** dza Musina dzi koloda maspala tshelede i linganaho **forty four point eight million rand** – ine **majority** yayo ndi ya **electricity**. Ri khou humbela uri kha ri shumisane kha u badela tshumelo dzine ra dzi wana kha maspala.

Ri na mafhungo ane a khou ri dina a dzi **illegal churches around our municipality**. Zwine zwa ri vhavhesa ndiuri **these illegal churches have no ablution facilities, which is a very serious health risk**. Ri khou **developa a comprehensive plan** ya u shumana na mafhungo haya.

Zwinwe zwe ra kona u zwi **achiva this financial year** sa maspala ndi zwi tevhelaho

- Ro dzhenisa **a new energy saving system** kha dzi **Apollo** na dzi **street lights** dzashu.
- U fhatiwa ha dzinndu hu khou tshimbila zwavhudi fhano Musina.
- **Project** ya u fhata **1.8km of paved roads in Nancefield** i kha **80% progress**.

- **The upgrading of electricity, installation of feeder lines and replacement of copper by aluminum power lines is 50% done.** Hezwi zwi do ri thusa vhukuma u lwa na **cable theft**.
- **The electrical reticulation for new settlements in Nancefield Ext 6, 7 and 14 is work in progress.**
- **Project ya construction of multi-purpose community centre in Nancefield - The Foundation phase is complete and the overall work is at 37%.**

Some projects dzine ra do dzi ita kha **2018 / 2019 financial year** ine ya khou thoma nga dzi **01 July** ndi dzi tevhelaho:

- **Purchase of municipal vehicles.** Hafha ndi dzigoloi thukhu dza u shumiswa nga vhashumi vha maspala.
- **Upgrade of electricity capacity** in Musina. Hezwi zwi khou itiswa ngauri dorobo yashu i khou aluwa duvha na duvha.
- Ri do ita mishumo ya **two thousand one hundred and eighteen through poverty alleviation programmes** kha dzi **ward** dzothe dza Musina.
- **Construction of 2km paved roads in Ward 3 and 5.**
- **Construction of storm water channels in Nancefield.**
- **Construction of new landfill site.**
- **Installation of irrigation system at Lesley Manyathela Stadium.**
- **Provision of over 3 000 qualifying households with free services.** Hafha ndi u netshedza tshumelo dza mahala kha mita i shayaho.
- **Conversion of convectional to prepaid electricity meters in residential properties.**

In conclusion, ndi khou humbela uri **community** i didzhenise kha mitangano ine ya vhidzwa nga maspala, dzi **councilors** na dzi **ward committees**. Hezwi wi ita uri vha vhe na vhupfuiwa musi hu tshi dzhiiwa dzi **decisions** dzi kwamaho **service delivery** kha **wards** dzavho. Kha ri zwi divhe uri ndi **responsibility** yashu rothe u vhona uri maspala washu u khou bvela phanda.

Ndi a livhuwa.
