VISION

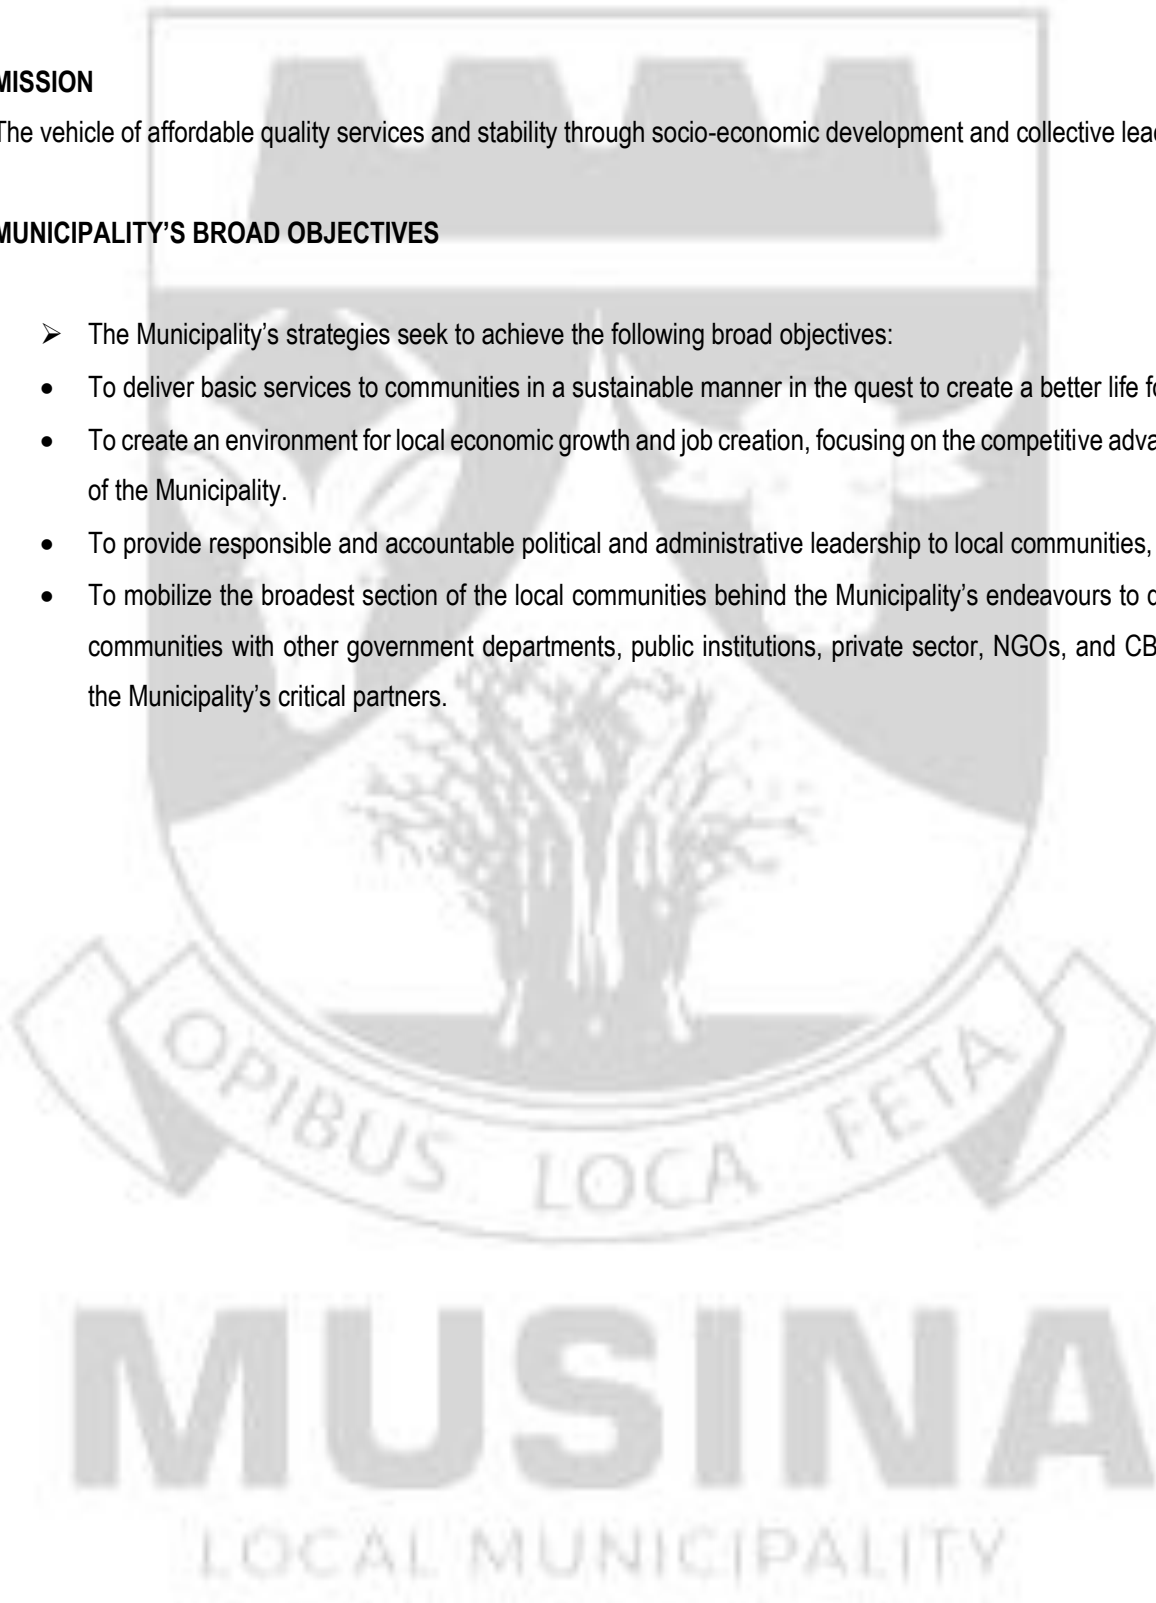

To be the vibrant, viable and sustainable gateway city to the rest of Africa

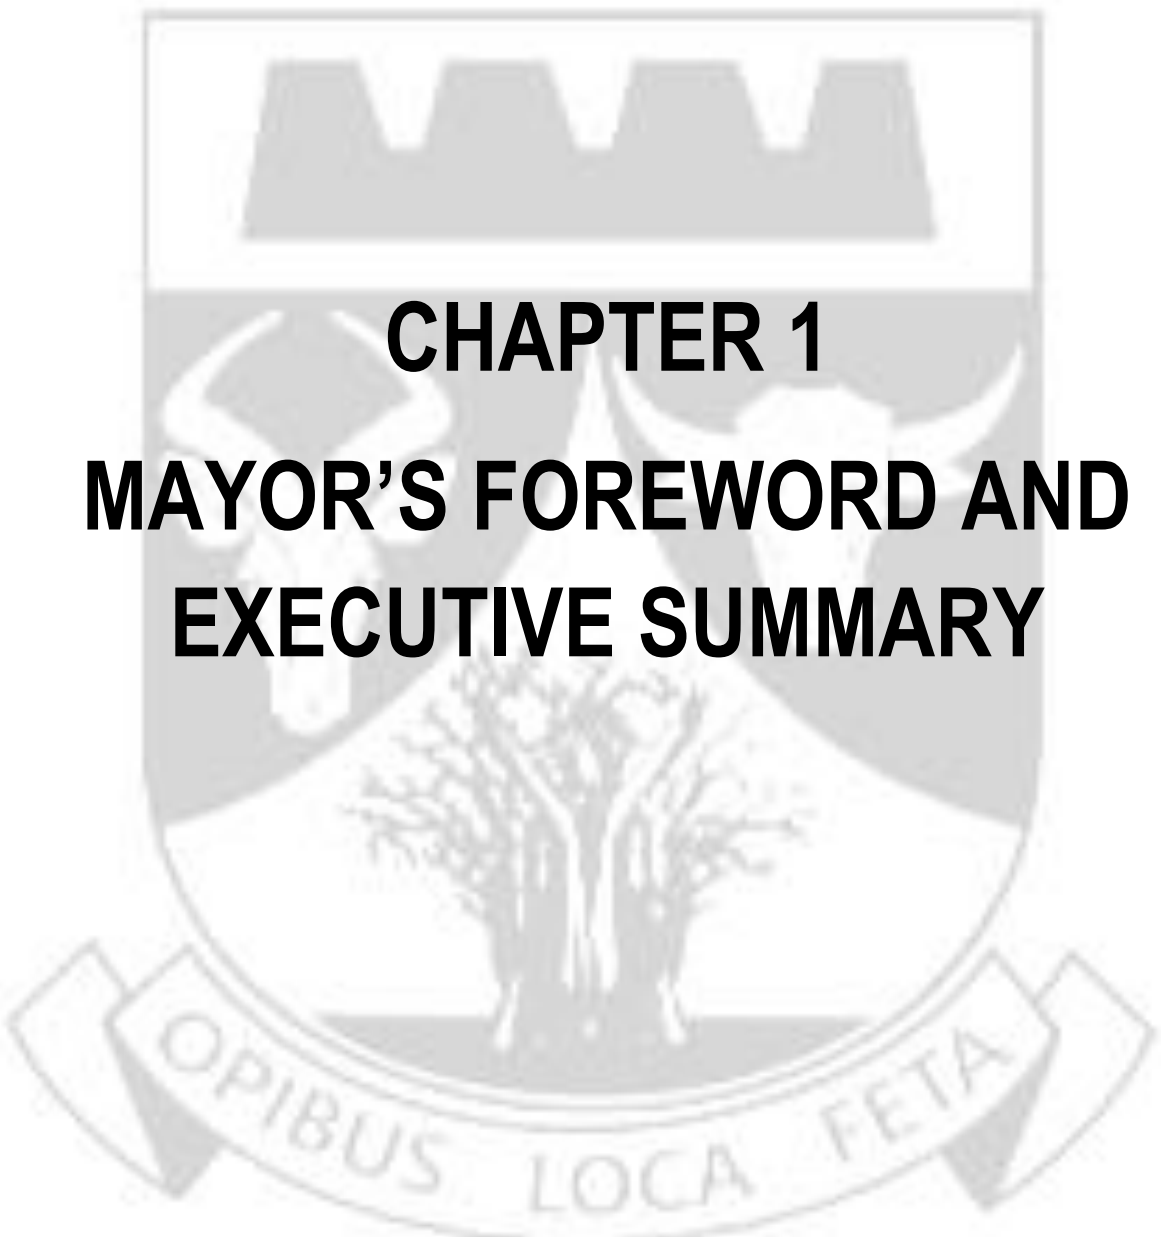

MISSION

The vehicle of affordable quality services and stability through socio-economic development and collective leadership

MUNICIPALITY'S BROAD OBJECTIVES

- The Municipality's strategies seek to achieve the following broad objectives:
 - To deliver basic services to communities in a sustainable manner in the quest to create a better life for all,
 - To create an environment for local economic growth and job creation, focusing on the competitive advantages of the Municipality.
 - To provide responsible and accountable political and administrative leadership to local communities,
 - To mobilize the broadest section of the local communities behind the Municipality's endeavours to develop communities with other government departments, public institutions, private sector, NGOs, and CBO"s as the Municipality's critical partners.

The background of the page features a large, faded coat of arms of Musina Local Municipality. It consists of a shield with a grey top section containing a white sun-like symbol. The main body of the shield is divided into four quadrants: top-left (grey with a white bull's head), top-right (grey with a white bull's head), bottom-left (white with a grey bull's head), and bottom-right (white with a grey bull's head). In the center of the shield is a grey tree. Below the shield is a banner with the text 'OPIBUS LOCA FETA' in grey.

CHAPTER 1

MAYOR'S FOREWORD AND EXECUTIVE SUMMARY

MUSINA
LOCAL MUNICIPALITY

COMPONENT A: MAYOR'S FOREWORD

Councillor Nkhanedzeni Godfrey Mawela
Mayor: Musina Local Municipality

As a responsible municipality, we are guided by our **Mission** and **Vision** statements which serve as a blueprint for our developmental programmes. The statements read as follows:

Mission: “Vehicle of affordable quality services and stability through socio-economic development and collective leadership”

Vision: “To be the vibrant, viable and sustainable gateway city to the rest of Africa”

Guided by our Mission and Vision, this report is therefore intended to attest to the collective efforts of the administrative and political arms of the municipality to progressively address the expectations of our people. It dawns upon the leadership that providing the complete account of the responsibilities conferred upon the entire municipality will always be a daunting task to the electorate.

This report is intended to attest to the collective efforts of the administrative and political arms of the municipality to progressively address the expectations of our people. It dawns upon the leadership that providing the complete account of the responsibilities conferred upon the entire municipality will always be a daunting task to the electorate.

A1. INTRODUCTION

It is a pleasure for me to present Musina Local Municipality 2022/2023 Draft Annual Report to our residents and other interested parties. This Draft Annual Report gives a detailed review of the municipality's activities on actual performance at the end of the fiscal year reporting and further reporting on how the IDP and budget were implemented. It also describes the work of the municipality in fulfilling its Constitutional mandate and in meeting its obligations as dictated by the applicable local government legislation.

This report records the progress made by the Municipality in fulfilling its objectives as reflected in the Integrated Development Plan (IDP), the Budget and the Service Delivery and Budget Implementation Plan (SDBIP). It also

reflects on challenges and priorities for the 2022/2023 financial year.

A2. KEY POLICY DEVELOPMENTS

Council adopted a five-year Integrated Development Plan (IDP) which is a single, inclusive and strategic plan for the development programs of the municipality. The IDP links integrate and coordinate the plans of the municipality. The Municipality's performance is measured by satisfying its key developmental objectives which are as follows:

- Creating job opportunities through the implementation of EPWP
- Facilitating and regularly updating the indigent register accurately
- Conducting Public Participation and ensure the functionality of all governance structures for accountability
- Continuing to participate in programs of HIV and AIDS, TB, Cancer through Local Aids
- Improving Health and Wellness awareness
- Ensuring sustainable and qualitative service delivery
- Improving Local Economy through revised LED strategy
- Achieving an unqualified audit opinion
- Ensuring that monies owed to the municipality are collected
- Council
- Improving Records Management System in terms of NARSA Act
- Fast-tracking the implementation of infrastructure projects
- Strengthening the relationship with the traditional leaders

A3. KEY SERVICE DELIVERY IMPROVEMENTS

Let me take this opportunity to give a summary of the service delivery report in our Municipality. Our municipality is comprised of 12 wards, 24 councillors, two senior traditional leaders who seat in the council, 68 943 households, and a population of approximately 132 000 people. In terms of electricity supply, Musina Local Municipality is a license holder in the urban area. Electricity in the villages and some of the farming areas is supplied by Eskom. We are working with Eskom to address the backlog in all areas, especially where we have extensions and new settlements.

All areas in the urban areas of Musina have access to water daily although there are constant interruptions due to aged infrastructure. The majority of our villages have street taps but some villagers still complain of serious water shortages. This is being addressed with our water authority, the Vhembe District Municipality. We do not have serious challenges when it comes to refuse removal in various households in our municipality. Public institutions, government buildings and commercial properties are serviced on daily basis.

During the 2022/2023 financial year, the municipality provided free services to more than 3 000 indigent families at a cost of over an R4million. These are the people whose joint family monthly income is R3 850.00 or less. Each beneficiary of the municipality's indigent policy receives 6 kilolitres of water, 55 kilowatts of electricity, and a hundred percent free sewer and refuse removal services every month.

Below are some of the Multiyear projects that the municipality undertook during the 2022/2023 financial year:

PROJECT NAME	BUDGET	Expenditure 2022/23	SOURCE OF FUNDING	STATUS	COMMENTS
Tshivhongweni Bridge	R 0.909m	R 0.760m	MIG	Project completed.	Project is completed. Awaiting closeout report.

Development of Mmberegeni Grave yard	R 4.751m	R 4.500m	MIG	Project is completed.	Project is completed. Awaiting closeout report.
Tshikhudini community hall	R 3.351m	R 5.480m	MIG	Foundation 100% Super structure 100% Fence 100% Roof 100% Ceiling 100%	Project on practical completion stage. Only landscaping & electrical connection by Eskom is outstanding.
Rehabilitation of Lesly Manyathela stadium	R 4.595m	R 4.461m	MIG	Demolition works 100% Building works 96% Soccer field 95% Soil drainage 100% Indigenous games 100% Combi courts and games 80% High mast 100%	Project on construction stage. Delays caused by slow progress on site, and late payment of labourers.

Waste Removal Compactor Truck x 4		R 8.431m	R 8.431m
PMU		R 1.588m	R 1.588m
		Total	R 31.760 m

A4. PUBLIC PARTICIPATION

Councillors and ward committees have the responsibility of conducting public meetings in their respective wards and submitting monthly reports to the Speaker. The public participation process is used to inform communities about the success and challenges that the municipality encounter during service delivery. Public participation sessions were conducted through the 2022/2023 IDP and Budget process where communities were allowed to raise their needs to be incorporated in the 2022/2023 IDP and budget. Out of the total needs raised, only prioritized and budgeted needs were incorporated in the reviewed 2022/2023 IDP and budget.

A5. AGREEMENTS / PARTNERSHIPS

There is no agreement or partnership that the municipality has entered into during the year under review

A.7 CONCLUSION

I wish to thank all councillors, staff, residents, stakeholders and rate payers for their contributions in the well-being and decision making processes of the municipality. Together we strive to take our municipality forward.

**CLLR MAWELA NG
MAYOR**

COMPONENT B: EXECUTIVE SUMMARY

Mr NT Tshivanammbi

Municipal Manager: Musina Local Municipality

B1. MUNICIPAL MANAGER'S OVERVIEW

Musina Local Municipality was established as a category B Executive Council, in terms of the Municipal Structures Act, 117 of 1998, which provides for the establishment of municipalities, their categories, competencies, powers and functions.

Table: B1.1 Composition of Councillors and Traditional Leaders in the Council

COUNCILLORS DIRECTLY ELECTED	12
COUNCILLORS PROPORTIONAL REPRESENTATION	12
TRADITIONAL LEADERS REPRESENTATION	5
TOTAL	29

Source: Musina Local Municipality

Musina Local Municipality falls within the Vhembe District Municipality, which is made up of four local municipalities, namely Musina, Makhado, Thulamela and Collins Chabane, of which Musina Local Municipality is bounded by Makhado Local Municipality to the South and Thulamela local Municipality to the east. Musina is also bounded in the South West by the Local Municipality of Blouberg which falls within the Capricorn District Municipality. Musina Local Municipality is located in the very North of the Limpopo Province, bordering Mozambique, Botswana and Zimbabwe. Musina Local Municipality covers an area of approximately 1 129 740.773 hectares, 11 297.41 km² and the coordinates is 23° 20' 17'' S 30° 02' 30'' E that extends from the confluence of the Mogalakwena and Limpopo rivers in the West to the confluence of the Nwanedi and Limpopo rivers in the East and from Tshipise and Mopane in the South to Botswana/Zimbabwe borders in the North and Mozambique in the eastern side of Kruger National Park. Musina was not affected by the redetermination of Municipal ward boundaries, the numbers of wards are still the same.

Representing the administrative wing of the municipality, we would like to thank all stakeholders who gave their time, energy and resources to contribute to the success of the municipality during the 2021/2022 financial year. Despite the challenges of the National Covid-19 pandemic we faced as a nation, we had many constructive plans to mitigate the challenges. We are satisfied that we managed to succeed in some although we had limited resources and a shoestring budget. We have recorded many achievements but we acknowledge that there is still much to be done in our quest to bring a better life to all the people of Musina.

We, therefore, call upon everyone to play their role in the betterment of service delivery initiatives in our municipality. Let us continue to improve the lives of our people together.

The above tables: 1.2, 1.3 and 1.4 identified strategic opportunities and major challenges together with community needs priorities informed us to develop strategic objectives per KPA. The below strategic objectives determine our IDP implementation annually. Our annual performance targets will be monitored and evaluated annually through Service Delivery and Budget implementation Plan.

Table: B1.4 Key performance areas and strategic objectives

KEY PERFORMANCE AREAS	STRATEGIC OBJECTIVES
Municipal Transformation and organizational development	To increase institutional capacity, efficiency and effectiveness
Good governance and public participation	To deepen democracy and promote accountability
Municipal financial viability and management	To enhance compliance with legislation and improve financial viability
Basic service delivery	To initiate and improve the quantity and quality of Municipal infrastructure services
Local economic development	To create a conducive environment for sustainable economic growth
Social and Justice	To improve quality of life through social development and provision of effective community services

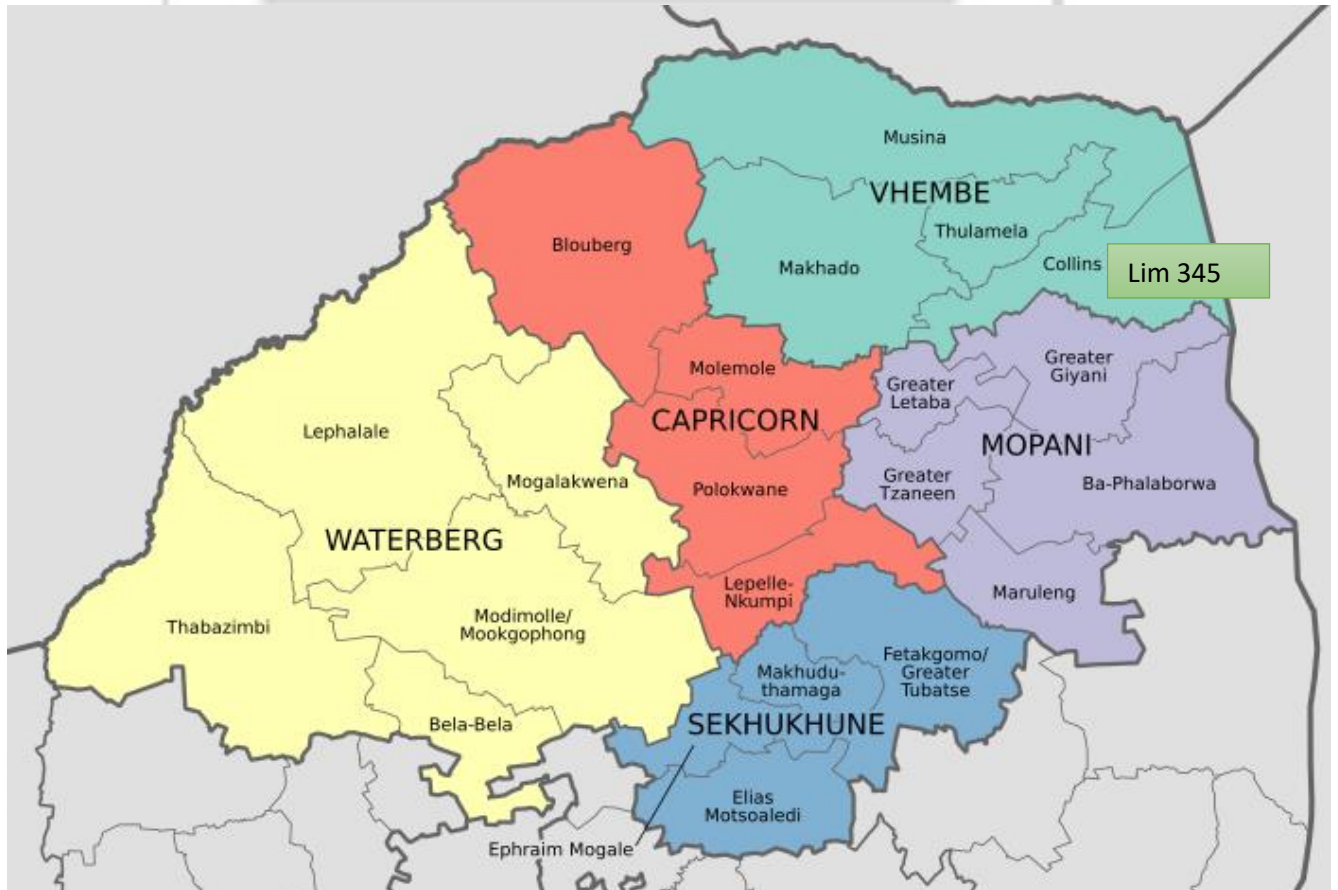

Source: Musina Local Municipality

B2: Demographic profile of the municipality

This section provides a population analysis of Musina LM based on race, gender and age. Stats SA 2011 indicated that Musina LM comprised of a total population of 104 654 (new wards included) that rose to 132 009 in 2016 according to STATSSA, after the amalgamation of Musina LM and Mutale LM (Ward 7-12). As per the map below, the highest population density can be found in Musina town followed by the rural areas around town towards the western side of the municipality followed by the tribal areas on the eastern side of the municipality.

Map 1: PROVINCIAL CONTEXT

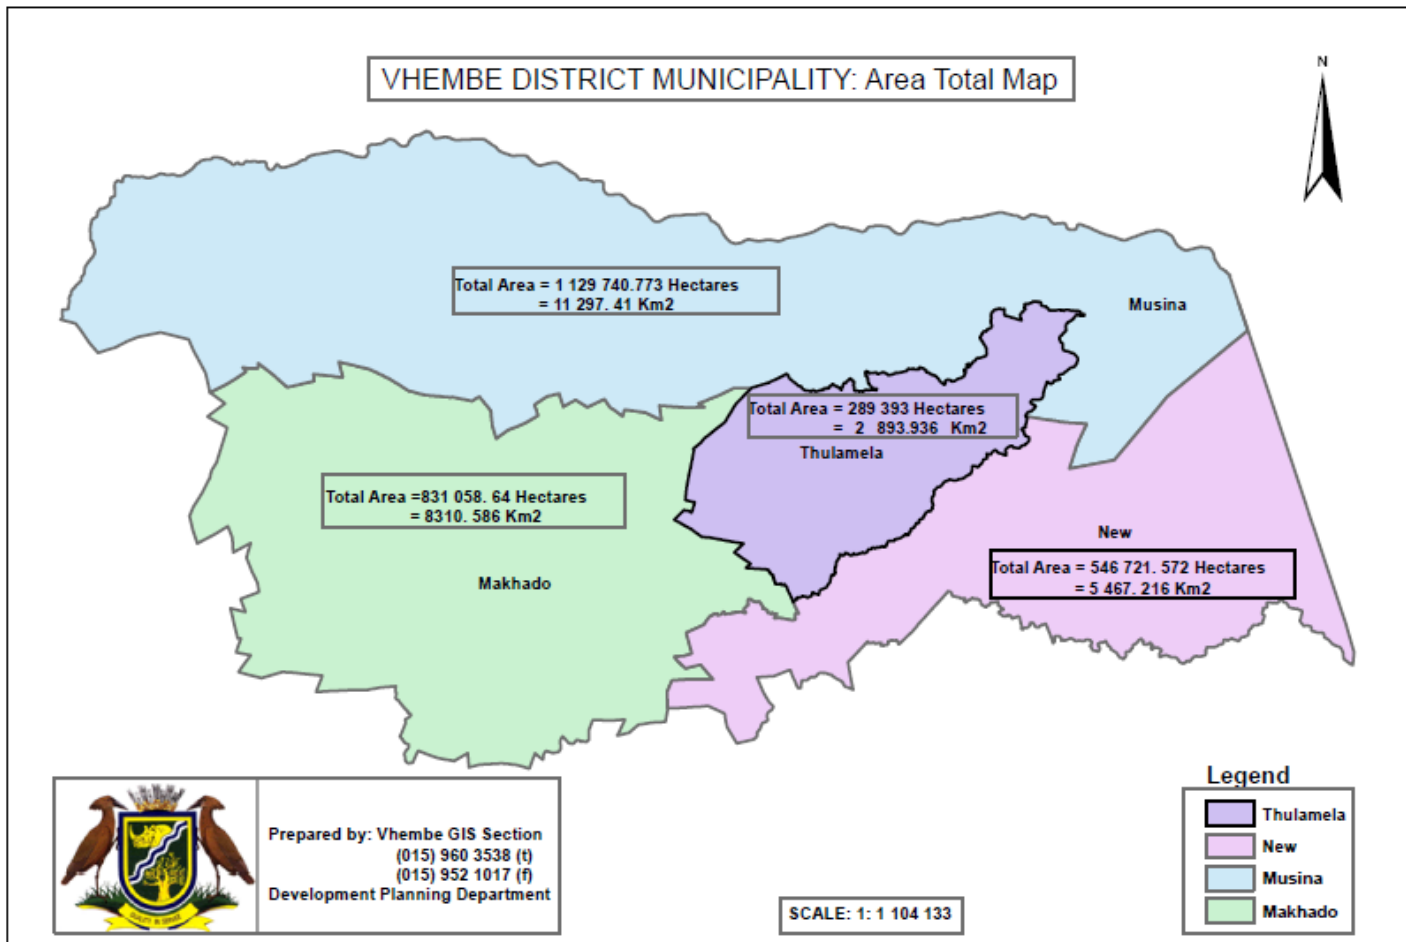

Source: Limpopo SDF

The Map 1 above depicts Limpopo province spatial location and Musina Local Municipality's spatial location at a Provincial context.

Source: Musina Local Municipality

The figure below demonstrates the population distribution by race for Musina LM. There has been a slight increase in both the Black African and Coloured population while there was a slight decrease in the White population and the Indians or Asians remained steady over the past five years.

POPULATION BY RACE

Figure: 1: Population Distribution by Race.

Source: Stats SA (2011) & Community Survey (2016)

The next figure indicates population distribution by gender. As demonstrated below, Musina LM was populated by 53 509(51.1%) females as compared to their 51 146 (48.9%) male counterparts during the 2011 Census. The 2016 Community Survey revealed a total male population of 65 856, while the female population still remain slightly more at 66 153. There is however a big difference between the 2011 and 2016 statistical difference indicating that the male population has seen a bigger increase than female during this five-year period.

Figure 3.2: Population Distribution by Gender.

Source: Stats SA 2011 & Community Survey (2016)

The figure below demonstrates population distribution by age. Stats SA (2011) indicated that the population of Musina LM was predominated by children aged 0-4 (12, 7%), followed by people aged between 25-29(12, 1%), it must be noted that a rapid decrease in the population is seen between the age groups of 35-39(6, 9%). It is evident that a large proportion of Musina LM is made up of children and the youth as compared to the elderly.

Figure3.3: Population Distribution by Age

Source: Stats SA 2011 & Community Survey (2016)

The 2016 Community Survey outlined that the population of Musina LM is relatively young. The figure below demonstrates the population distribution by age for the population between 15-35 years (Youth Population).

Figure 3.4: Population Distribution by age (15-34).

Source: Community Survey 2016

As indicated above, despite the fact that young people do not predominate the entire municipality, it must be noted that the youth male population is more than the youth female population within the Musina LM.

The figure below illustrates language distribution within the Musina LM.

Figure3.5: Language Distribution.

Source: Stats SA, Community Survey (2016)

The Stats SA, 2016 Community Survey indicated that 69% of the population use Tshivenda frequently as compared to other languages, while 9% use other languages and 8% use Sepedi as their main language. Afrikaans, Xitsonga and Sesotho both have 3%.

BIRTH AND DEATH BY HOSPITAL

- Population birth and death index

Table B.1.6 below shows that there was an increase of 27299 on the number of birth in 2021/2022 compared with 25702 births in 2020/21, on the other hand there was increase on death in the district hospitals in which 4600 people died in 2021/2022 compared to 4325 in 2020/21. The contributing factor to the numbers of birth and death rates includes residents from other districts and foreign nationals.

COVID-19 pandemic

The COVID-19 pandemic in South Africa is part of the ongoing pandemic of coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). On 5 March 2020, Minister of Health Zweli Mkhize confirmed that the virus spread to South Africa, with the first known patient being a male citizen who tested positive upon his return from Italy. The first death to have occurred from the disease was reported on 27 March 2020.

On 15 March, the President of South Africa, Cyril Ramaphosa, declared a national state of disaster, and announced measures such as immediate travel restrictions and the closure of schools from 18 March. On 17 March, the National Coronavirus Command Council was established, "to lead the nation's plan to contain the spread and mitigate the negative impact of the coronavirus". On 23 March 2020, a national lockdown was announced, starting on 26 March 2020. On 21 April 2020, a 500 billion rand stimulus was announced in response to the pandemic. Ramaphosa announced that from 1 May 2020, a gradual and phased easing of the lockdown restrictions would begin, lowering the national alert level to 4. From 1 June the national restrictions will be lowered to level 3. As of 2 May 2020, the median age of those who had died was 64 years. of 14 June 2020[update], of 1121958 tests conducted, 70038 cases were confirmed, 1480 people died, and 38531 had recovered.

3.1 POPULATION GROWTH TRENDS

The table:3.1.1 below depicts results from Census 2001 and Census 2011 and Community Survey 2016 comparisons with Vhembe District municipality; Musina local municipality in 2001 population was at 39 310 and by Census 2011 the population was at 68 359, and by Community Survey 2016 the population is at 132 009. The population growth from 2001 Census, 2011 Census and Community survey 2016 is at 63 650. Musina local municipality population growth is 63 650 compared to the District municipality's population growth of 99 228.

Street Trading	No Powers	Full Powers in the Area of Jurisdiction
Street Lighting	No Powers	Full Powers in the Area of Jurisdiction
Traffic and Parking	No Powers	Full Powers in the Area of Jurisdiction

TN TSHIWANAMBI
MUNICIPAL MANAGER

CHAPTER 2 GOVERNANCE

COMPONENT A: POLITICAL AND ADMINISTRATIVE GOVERNANCE

A1. Introduction

Section 151 (3) of the constitution states that the council of the municipality has the right to govern on its initiative, the local government affairs of the local community. MLM Council comprises of the political and administrative components responsible for decision-making and implementation respectively. The Mayor is the political head of the Institution and the Speaker is the head of the council. The Municipality has all the powers assigned to it in terms of the Constitution as well as relevant national and provincial legislations. The municipality has the authority to take any possible actions to effectively exercise the powers assigned to it.

A2. Political governance

Council established Section 79 committees that provide general oversight and monitor the activities in the municipality over both the administrative and executive arms of the municipality. This section 79 Committees are chaired by independent councillors other than members of the executive committee. The following committees were established:

- EDP & Technical services Portfolio committee
- Corporate services Portfolio committee
- Executive Committee (EXCO)
- Financial services Portfolio committee
- Community Services Portfolio committee
- Municipal Public Accounts Committee (MPAC)

The Speaker is a full-time councillor and takes responsibility for the running of council meetings. The Office of the Council-Whip is established to create synergy and to maintain discipline among councillors from various Political Parties. The Role of the Council-Whip covers both the political and administrative domains of the council with emphasis on the political aspect. The Council-Whip deals with the well-being and particularly attendance of all councillors. The Council meetings are governed according to the approved rules of order.

A3. Overview of public accountability and participation

Key to the accountability processes in terms of both the Structures and the Systems Acts is the facilitation and implementation of the following forums:

- Quarterly Community report back meetings by Ward Councillors
- Quarterly Mayoral Imbizo's
- Ward Committee monthly assessment meetings
- Annual Mayoral Address
- Half-year Progress Report by the Mayor
- Annual IDP/Budget community and focused groups' consultation meetings

A4. Public meetings

COMMUNICATION, PARTICIPATION AND FORUMS

The IDP representative forum is chaired by the Mayor and the stakeholders are as follows:

- Councillors,
- Ward committees,
- Organised labour,
- Community-based organizations,
- Non-governmental organisations,
- Sector departments,
- Parastatals,
- Organised business organisations,
- Farmer's organisations.
- Mining houses
- Private sector

Meetings of the IDP representatives forum is held once in every phase of the IDP namely: Preparatory, Analysis, Strategies, Projects, Integration and Approval. Quarterly reports based on the SDBIP are tabled and reported to the IDP representatives' forum meetings. Meetings of the IDP representative forum are sometimes held in the evening as per stakeholder agreement to accommodate stakeholders who are unavailable during working hours, the timing of the IDP compilation is regulated by the Municipal Systems Act.

There is room for newly established structures to register on our database from time to time to enable participation in our IDP Representative meetings. Members of the IDP Representatives Forum are encouraged and urged to hold consultative and feedbacks meetings with the structures and constituencies they represent to get their inputs and communicate feedback reports to IDP Representatives Forum for further mandate or processing.

The council comprises 3 political parties namely: ANC, DA, and EFF. To enhance good governance and accountability, Municipality adopted the separation of powers model which separated the legislative arm from the executive arm.

This is in line with the governance approach that seeks to put in place an independent oversight mechanism to ensure that democracy is deepened and that effective public service delivery takes place to benefit MLM communities. Council has established section 79 committees to play an oversight role and monitor the work of the executive and administration.

The municipality has 24 councillors comprising of 12 ward councillors, 12 PR Councillors and 5 Traditional Leaders. There is a good relationship between councillors as they work cooperatively to achieve the set goals of the municipality. Every year there is a schedule of meetings that is approved by the council, to ensure that all committees meet regularly to discuss administrative, performance, and service-delivery issues. Councillor's participation in various committees is satisfactory. For the year under review, the council held 3 ordinary and 8 special council meetings.

A5. Section 79 committees

The established section 79 committees are in line with the governance approach that seeks to put in place an independent oversight mechanism to ensure that democracy is deepened and that effective public service delivery takes place to benefit MLM communities Council has established section 79 committees to play an oversight role and monitor the work of the executive and administration.

The established Committees are aligned to administrative departments of the municipality and are chaired by non-executive councillors. MPAC committee is also in place and performs its duties as per the approved annual work program. MPAC is an oversight committee that comprises non-executive councillors, with the specific purpose of providing oversight over the executive functionaries of the Council to ensure good governance.

MUSINA
LOCAL MUNICIPALITY

Councillor Godfrey Nkhanedzeni Mawela

Mayor

Powers and functions of Mayor as per section 52 of the Local Government Municipal Finance Management Act, No. 56 of 2003

- Provide general political guidance over the fiscal and financial affairs of the municipality.
- In providing such general political guidance, may monitor and, to the extent provided in this Act, oversee the exercise of responsibilities assigned in terms of this Act to the accounting officer and the chief financial officer, but may not interfere in the exercise of those responsibilities
- Must take all reasonable steps to ensure that the municipality performs its constitutional and statutory functions within the limits of the municipality's approved budget.
- Must within 30 days of the end of each quarter submit a report to the council on the implementation of the budget and the financial state of affairs of the municipality
- Must exercise the other powers and perform the other duties assigned to the mayor in terms of this Act or delegated by council to the mayor.

MUSINA
LOCAL MUNICIPALITY

POWERS AND FUNCTIONS OF THE SPEAKER

Speaker Cllr Siyaphi Shirelele

Powers and functions of the Speaker as per section 37 of the Local Government Municipal Structures Act, No. 117 of 1998

- To preside at meetings of the council when he is present;
- To ensure that the council meets at least quarterly;
- To ensure compliance with the code of conduct for councillors in the meetings of council and council's committees;
- To maintain order during meetings of the council;
- Ensure that the provisions in respect of privileges and immunities of councillors, as set out in section 28 of the structures act or any other applicable legislation, are adhered to.
- To ensure that council meetings are conducted following the rules and orders of the council;
- Determine the date and venue of ordinary council meetings;
- To convene special meetings of the council at the venue determined by her and at the time set out in any request that such a meeting be convened in terms of section 29(1) of the structures act; and

Council Whip
Cllr. Fistos Mafela

POWERS AND FUNCTIONS OF COUNCIL WHIP

The Office of the Whip of Council has been introduced by the Notice on the Upper Limits on Councillor Remuneration in 2006. The Whip of Council is not an Office Bearer in terms of the LG: Municipal Structures Act, so the Council is not legally obliged to adopt terms of reference for the Whip. It is, however, advisable to commit to a clear definition of the role of the Whip concerning that of the Speaker. Whilst there are no statutory functions for the Whip of Council, the SALGA Guideline Document on the Roles and Responsibilities of Councillors, Political Structures, and Officials (March 2011) cites the following as the functions of the Whip of the Council:-

- Political management of council meetings and committee meetings
 - Inform councillors of meetings called by the Speaker and the Mayor and ensuring that such meetings quorate
 - Advises the Speaker and Mayor on the Council agenda
 - Informs councillors on important matters on the relevant agenda
 - Advise the Speaker on the amount of time to be allocated to speakers and the order of such speakers
- Addressing the Council
- Ensures that councillor's motions are prepared and timeously tabled in terms of the procedural rules of Council
 - Assisting the Speaker in the counting of votes
 - Advising the Speaker and the Mayor of urgent motions
 - Advising the Speaker and Mayor on how to deal with important items

- Advising the Speaker and Mayor on how to deal with important items not disposed of at a Council meeting

FUNCTIONS OF EXECUTIVE COMMITTEE AS PER DELEGATION OF POWERS

- To report to council on all decisions taken by it;
- oversee and monitor the implementation and enforcement of the municipality's credit control and debt collection

Policy and by-laws and the performance of the municipal manager in implementing the policy and by-laws;

- When necessary, evaluate or review the municipality's credit control and debt collection policy and by-laws, or the implementation of the policy and by-laws, to improve the efficiency of its credit control and debt collection mechanisms, processes and procedures;
- makes recommendations to council on proposed political structures of council;
- makes recommendations to council in respect of its legislative powers;
- gives political directions to the executive management team;
- determine strategic approaches, guidelines and growth parameters for the draft budget including tariff structures;
- delegates powers in respect of any of its powers to the mayor;

A6. Administrative Governance

The Municipal Manager is the administrative head and acts as an interlink between the politicians and the administration. Municipal Manager together with all staff members and councillors are responsible for implementing the IDP and Budget and monitoring the progress made to ensure that service is delivered to the people. The Accounting Officer also guides political office bearers and all officials in the municipality. There is a good relationship between the Municipal Manager, administration and political office bearers. All administrative issues that need the intervention of the council are referred to the council for resolution.

The municipality has three (3) vacant positions of Senior Managers accountable directly to the Municipal Manager namely General Manager Economic Development and Planning, General Manager Technical Services and General

Manager Community Services. The administrative components of the municipality comprise seven (6) directorates and 25 managers.

COMPONENT B: INTERGOVERNMENTAL RELATIONS

B1. INTRODUCTION TO CO-OPERATIVE GOVERNANCE AND INTERGOVERNMENTAL RELATIONS

There are platforms established to maintain the relationship between all three spheres of government. The purpose of the platforms is consultation with various interest groups and all other key stakeholders to insure sectorial issues and Projects alignment, integration and well captured within the IDP of the municipality for implementation.

B2. DISTRICT INTERGOVERNMENTAL STRUCTURES

Section 24 of the Intergovernmental Relations Framework Act 2005, establishes the district intergovernmental forum to promote and facilitate sound relations between the District and Local municipalities, and the forum is chaired by District Mayor.

The municipality participates in various intergovernmental structures locally, at a district level and even at a provincial level. Locally structures of intergovernmental relations include the District Planning forum, water sector forum, roads and transport forum, energy forum, local economic development forum, and disaster management forum. Various sector departments and relevant stakeholders are the main participants in the activities of such forums.

In the district, the municipality partakes the IDP Managers forum, CFO's forum, Municipal Managers Forum, District Speakers and Mayors forum, and the District Internal Auditors' forum. In the province, the municipality participates in the Premier-Mayors' forum, provincial municipal managers' forum as well as the Provincial Planning and Development Forum. Further, the municipality hosts an intergovernmental stakeholder meeting on Migrant Health Forum.

MLM has a good relationship with Vhembe District Municipality and all local municipalities within the district. There are different forums conducted by the district where officials and politicians from local municipalities are invited to participate. The structures are as follows:

Table: District intergovernmental structures

Structures	Directorates	Establishment
EXCO	Mayor and Municipal Manager	Provincial
Municipal Manager's forums	Municipal Manager	Provincial and District
IDP forums (District and Provincial Panning Forum)	IDP Manager	Provincial and District
PMS forums	PMS	Provincial and District
LED forums	LED Manager	Provincial and District
Communicators' forum	Communication Manager	Provincial and District
VDM Disaster advisory forum	Superintendent: Disaster	District
MPAC forums	MPAC	Provincial and District

The above forums meet quarterly to discuss progress made on service delivery. The forums are facilitated by CoGHSTA representatives and district officials. They are very fruitful forums, as members use this opportunity to share ideas and to learn from each other, to improve service delivery.

B3. PROVINCIAL INTERGOVERNMENTAL STRUCTURES

Section 16 of the Intergovernmental Relations Framework Act 2005, establishes the premier's intergovernmental forum to promote and facilitate sound relations between the Province and municipalities. MLM has a good relationship with provincial structures, namely CoGHSTA, Premier's Office and the Provincial Treasury. The province coordinated various forums where it met with members from all municipalities in the province, to discuss service delivery issues. Members from CoGHSTA, the Premier's Office and the provincial treasury also form part of those forums. The forums are:

- Provincial intergovernmental forum
- Premier/Mayor's forum
- Provincial monitoring and evaluation forum
- Provincial government communicators' forum
- Municipal Public Accounts Committee forum.
- Provincial Planning Forum

The forums are very fruitful as any kind of question is clarified, and municipalities that lack capacity are identified and provided with all necessary support.

COMPONENT C: PUBLIC ACCOUNTABILITY AND PARTICIPATION

C1. Introduction

In terms of the Municipal Systems Act section 51(b) requires a municipality to establish and organize its administration to facilitate a culture of accountability amongst its staff;

Section 6 (i) states that a municipality must develop a system of municipal governance that compliments formal representative government with a system of participatory governance

Section 18 (i) (d) requires a municipality to supply its community with information concerning municipal governance, management and development.

C2. Overview of public accountability and participation

Municipality uses different kinds of public participation, such as the Mayor's outreach, public meetings, IDP/Budget consultation, and stakeholders meetings to promote the culture of accountability.

Due to the challenges of the National Disaster Covid 19 Regulations in 2021/2022, the municipality decided to publish the IDP for public comments on the municipal website, and the final budget and IDP public participation was done through the Radio.

The municipality in compliance with the Constitution of the Republic of South Africa and other legislations governing local government annually prioritizes the involvement of local communities in the planning and execution of the municipal programs. Such involvement takes the following shape, community Imbizo, Annual Report Consultative Meetings, IDP/Budget.

C3. EFFECTIVENESS OF THE PUBLIC MEETINGS

The public meetings were very effective because they gave a good understanding to the communities on how government operates. This is because, during those meetings, sector departments were also invited to render services to the communities. After getting inputs from the communities, these meetings also helped the municipality in planning and implementing projects, taking into consideration the needs of the society.

The purpose of these meetings is to give feedback and account to the community on the implementation of the IDP/Budget of the municipality. They are further utilized as a platform to agree on community needs. During the year under review 24 public meetings were held in different wards. All public meetings held were beneficial. Most of the queries raised were water-related queries and were referred to Vhembe District Municipality.

C4. Communication, participation and forums

Communication is an important element of good governance. It is through communication that communities and other stakeholders are informed about the activities of the municipality and thereby getting empowered to participate in the affairs of the municipality. MLM Communities play a vital role to ensure accountability in municipal affairs. Council accounts to the community through the established ward committee system and scheduled IDP/ Budget/ PMS community participation processes. The community participation processes have entrenched a culture of involving communities in decision-making processes during the process and finalization of the IDP/Budget/PMS. Communities are continuously informed on municipal governance, management and development through the usage of the different local media, website, Facebook, stakeholders meetings and council sittings.

Different types of effective forums assist in knowledge sharing to achieve set goals of municipality those forums are as follows:

- PMS forum
- IDP forum
- Communication forum
- Budget steering committee

The forums hold meetings quarterly with high attendance rates to discuss service delivery issues and measures to improve performance. PMS and IDP forums are represented by Vhembe district municipal officials, local municipality officials, and provincial officials. The budget steering committee is represented by the Chairperson of Finance and all section 56 managers. Whatever decision is taken in those forums that affect community members, such decisions are communicated to members of the community through our communication channels. e.g. financial status of municipality and performance of the municipality.

C5. Ward Committee meetings and Ward Committee Establishment.

The municipality has established Ward Committees in all 12 Wards. All Ward Committees are functional and managed to have 100 Ward committee meetings and 12 general meetings and are administratively supported by the Office of the Mayor. All ward committee receives their stipends based on functionality reports. The final IDP/Budget document was adopted by the Council on 21 May 2020.

MLM has established ward committees in terms of the Municipal Structures Act of 1998 and it has 24 ward committee members which are 2 per ward. Ward Committees assist members of the community to participate in public meetings and take decisions that will take service delivery forward in our communities.

C6. IDP PARTICIPATION AND ALIGNMENT

IDP Participation and Alignment Criteria*	Yes/No
Does the municipality have impact, outcome, input, output indicators?	Yes
Does the IDP have priorities, objectives, KPIs, development strategies?	Yes
Does the IDP have multi-year targets?	Yes
Are the above aligned and can they calculate into a score?	Yes
Does the budget align directly to the KPIs in the strategic plan?	Yes
Do the IDP KPIs align with the Section 57 Managers	Yes
Do the IDP KPIs lead to functional area KPIs as per the SDBIP?	Yes
Do the IDP KPIs align with the provincial KPIs on the 12 Outcomes	Yes

Were the indicators communicated to the public?	Yes
Were the four-quarter aligned reports submitted within stipulated time frames?	Yes

C7. Integrated Development Plan (Development, Review and Implementation)

The development and review of the integrated development plan for the financial year 2022/2023 was done internally through the involvement of the IDP/Budget steering committee and council. Communities and interested stakeholders were consulted on the formulation of IDP/Budget priorities and the setting of targets. To consolidate community and stakeholder consultations, meetings were held as per the approved Process Plan. In the year 2021, some meetings were held through virtual zoom due to Covid 19 regulations. Challenges experienced were that of some representative structures do not honour the invitation of the meeting, some stakeholders are no longer functional. The district municipality has sent out the public notice for the registration of stakeholders to be part of IDP representative forum: 2022/23 financial year as the will form part of our database. Due to the elections of the new council the rep forum meetings which was supposed to be held on November and February were both clubbed and held on the 22 of March 2022 and all items were attended.

IDP REPRESENTATIVE FORUM MEETINGS 2022/2023

12	20 APRIL 2023	MASISI TOWN HALL	40

The final IDP/Budget document was adopted by the Council in May 2023.

COMPONENT D: CORPORATE GOVERNANCE

Overview of corporate governance

MLM has a code of conduct and policies in place that served as guidance on how to execute our functions responsively. These documents apply to everyone in the municipality, as they set out rules, laws, customs, and culture of the municipality. All officials, together with political heads, work collectively, guided by policies to deliver efficient service delivery to communities to achieve the vision and goals of the municipality.

D1. RISK MANAGEMENT

Risk Management is a systematic process to identify, evaluate and address risks on a continuous basis before such risks impact negatively on the institution both strategic and operational objectives.

The management of risks is critical in the institution to ensure sustained performance and achievement of the municipality's objectives. Risk management draws its mandate from section 62(1)(c)(i) of the Municipal Finance Management Act (MFMA) 56 of 2003, which requires the Accounting Officer of the municipality to take reasonable steps in ensuring that the municipality has and maintains effective efficient and transparent system of financial risk management and internal control.

Treasury regulations sec 3.2 also provides that risk assessment must be conducted regularly, and risk management strategy to be developed and communicated to all officials.

King IV code of good corporate governance emphasizes that Council should govern risk in a way that supports the municipality in setting and achieving its objectives. The Council should appreciate that the municipality's core purpose, its risks and opportunities, strategy, business model, performance and sustainable development are inseparable elements of the value creation process. It further requires an elevated focus on risk management from the institution, whereby risks should not be viewed only on a downside or obligation it creates, but also for the opportunity that it presents.

During the year under review, the Risk Management Unit was fully operational. The unit managed to conduct a strategic, operational and fraud risk assessment with all departmental units in the Municipality in order to identify risks that could impede the attainment of objectives and to determine the levels of controls and action plans that are currently in place to mitigate the risks.

Top risks identified:

- Service interruptions (Electricity)
- Unfulfilled municipal service level expectations (Community)
- Non-compliance to MSCOA
- Inability to sustain the institution financially
- MFMA sec 32 (Unauthorized, Irregular and Fruitless & wasteful expenditure)
- Fraud and corruption
- Inability to attract investors
- Lack of integrated planning
- SEZ impact on Musina unknown
- Ineffective organizational structure
- Disasters

Risk Governance Documents

The unit reviewed the following governance documents for the 2022/23 financial year:

Risk Management Policy

Risk Management Strategy and

Risk Management Implementation Plan

67% (10 out of 15) of activities that were planned in the approved 2022/2023 RMIP were completed

The Risk Management Committee (RMC) was operational which comprised of an independent chairperson, HOD's, Risk Champions and Internal Audit.

RMC Members

Surname and Name	Designation
Ndou F	Chairperson
Sinclair Katekani	GM: Technical Services
Demana Priscilla	GM: Community Services
Mothoa Makhumo	GM: Planning and Development
Murulana Liston	Acting CFO
Siaga Joe	Chief Audit Executive
Ramuthivheli Els	Chief Risk Officer
Chauke Nlamulo	Risk Officer (Secretariat)

The RMC held 4 meetings in the 2022/2023 financial year in which 14 resolutions were taken, 6 were implemented, 2 are in progress, 2 were not implemented and the remaining 4 to be implemented in the 2022/23 financial year.

2022/2023 RMC meeting dates

Risk Management Committee	Date
Normal RMC	22 September 2022
Normal RMC	05 December 2022
Normal RMC	08 February 2023
Normal RMC	18 May 2023

SUMMARY OF UNIMPLEMENTED RESOLUTION

Resolution	Challenge	Mitigation measure
Appointing/ Designating of Chief and Deputy Information Officer (POPPA)	The matter was escalated to the Accounting Officer by the Chairperson however on Appointments were made.	Matter to be tabled during the Audit Committee
Identification of top 10/ key legislative mandates that govern departmental operations	Non-submission by departments	Matter to be tabled during the Audit Committee

D2. FRAUD AND ANTI-CORRUPTION STRATEGY

MSA 2000b 83 (c) requires providers to be chosen through a process that minimizes the possibility of fraud and corruption.

During the year under review, the municipality reviewed the anti-fraud and corruption policy, strategy and whistle blowing policy as part of the process to ensure effective, efficient and transparent systems of internal control.

Musina Local Municipality currently shares the anti-fraud and corruption hotline with the Vhembe District Municipality along with other municipalities within the district. During the year no cases were forwarded through the Presidential and Premier Hotline.

D3. OVERVIEW ON SUPPLY CHAIN MANAGEMENT

SUPPLY CHAIN MANAGEMENT

The financial statements for the 2022/23 financial year present an irregular expenditure of R 89 546 242 as opening balance and during the year irregular expenditure amounting to R33 278 971 was incurred. This leaves the municipality with overall irregular expenditure of R 122 825 213 that emanated from procurement of goods and services without fully following the supply chain management processes.

The municipality has started with the implementation of central supplier database that has been rolled out by National Treasury with the intention of maintaining a database of organisations, institutions and individuals who can provide goods and services to government institutions. This database serves as the single source of key supplier information for organs of state and it provides consolidated, accurate, up-to date, complete and verified supplier information to procuring organs of state.

The Municipality has an SCM policy in place to minimize fraud and corruption. There are SCM committees in place that are reviewable as and when required to ensure value for money in awarding of tenders. For the year under review, 13 tenders were awarded.

- The council has adopted an SCM policy in terms of SCM regulation 3.
- The SCM unit consists of three full-time staff; three positions (Manager, Accountant SCM, and Procurement officer).
- A report on the implementation of the SCM policy is presented to the Mayor every quarter.
- Needs assessments are undertaken for each acquisition and preferential policy objectives identified.
- Threshold values in the SCM policy are aligned with values stipulated in regulation 12.
- Municipal bid documents comply with MFMA circular 25.
- Records of tenders and all other bids received and awards made.
- All bid committees were established and appointed by the Accounting officer.

- Note: MFMA S110-119; SCM Regulations 2005; and relevant MFMA circulars set out required processes and guidance manuals to help ensure that SCM arrangements provide appropriate goods and services, offer the best value for money, and minimize the opportunities for fraud and corruption.
- 24 Tenders were advertised during 22/23
- All tenders were advertised in the newspaper and on the municipal website
- 13 Tenders were evaluated, adjudicated, and awarded during 22/23
- 42 formal quotations were awarded(R30000.00 up to R200000.00)
- 102 Procurement below R30000.00
- 143 BEE beneficiation awarded for the financial year 2022/2023

Description	Members of the committee	Functions	Number of meetings	Dates

Table: Information of SCM committees

D4. BY-LAWS

Section 11 (3) (m) of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) empowers municipal councils with the legislative authority to pass and implement by-laws for the betterment of the community within the terms of the legislation.

In line with section 15 of the Municipal System Act, which makes provision for municipal code of by-laws, the municipality has gazetted eleven (11) by-laws. However, enforcement of by-laws remains a challenge. There is a need, moreover, to raise public education and awareness to ensure easy compliance and enforcement of approved by-laws.

By-laws are critical in the maintenance of public order, enforcement of council objectives, and administration of municipal affairs. Through by-laws, the municipality must, in the future, regulate other critical areas that remain unregulated currently to curb un-favourable practices and to protect the interests of residents, businesses, the environment, and the state. The development and application of municipal by-laws enhance financial viability and provides mechanisms for recourse on violation of council policies.

The municipality has a Code of by-laws in compliance with section 15 of the Municipal Systems Act, 2000. Below is a list of By-Laws gazetted:

NAME OF BY-LAW	BY-LAW GAZETTED
Advertising, Billboards and Display of Advertisements by-law (Outdoor Advertising)	Yes
Traffic by-laws	Yes
Credit Control and Debt Collection by-law	Yes
Property Rates by-law	Yes
Spluma by-law	Yes

Street Trading by-law	Yes
Refuse Removal, Refuse Dumps and Solid Waste Disposal by-law	Yes
Cemeteries and Cremation by-law	Yes
Building Regulations by-laws	Yes
Electricity Supply by-laws	Yes

D5 WEBSITE

A municipal website is an integral part of a municipality's communication infrastructure and strategy. If managed effectively, it allows easy access to relevant municipal information, it serves as a tool for community participation, improves stakeholder involvement and facilitates stakeholder monitoring and evaluation of municipal performance. The municipal website is www.musina.gov.za Municipality's website is available and functional to assist members of the community and fellow South Africans to access municipal information easily.

Table: Municipal website information

Documents published on the Municipality's Website	Yes / No
Current annual and adjustments budgets and all budget-related documents	Yes
All current budget-related policies	Yes
The previous Annual Report 2021/2022	Yes
The Annual Report 2022/2023 published/to be published	Yes
All current performance agreements required in terms of section 57(1)(b) of the Municipal Systems Act 2022/2023 and resulting scorecards	Yes
All service delivery agreements 2022/2023	No
All long-term borrowing contracts 2022/2023	N/A
All supply chain management contracts above a prescribed value	No
An information statement containing a list of assets over a prescribed value that have been disposed of in terms of section 14 (2) or (4) during Year 1	Yes
Contracts agreed in 2022/2023 to which subsection (1) of section 33 apply, subject to subsection (3) of that section	N/A
Public-private partnership agreements referred to in section 120 made in 2022/2023	N/A
All quarterly reports tabled in the council in terms of section 52 (d) during 2022/2023	Yes

D6 AUDIT COMMITTEE

The Audit Committee of the Municipality was established in terms of Section 166 of the Municipal Finance Management Act, Act 56 of 2003, (Act 56 of 2003). The current Audit Committee members have been appointed with effect from 30 August 2021 for the period of three (03) years.

The Audit Committee reported to the council on their activities and recommendations as required by the Audit Committee Charter and section 166 of the MFMA for all four (4) quarters of 2022/2023.

For the year under review, four (03) ordinary and one (02) special audit committee meetings were held.

During the year under review, the Audit and Performance Committee held the meetings as follows:

DATE	VENUE	NUMBER OF AUDIT COMMITTEE MEMBERS ATTENDED	NUMBER OF MANAGERS ATTENDED	SUPPORT MANAGEMENT	STAKEHOLDER DEPARTEMENT
13/03/2023	Musina	3	6	1	2
29/05/2023	Virtual	4	6	1	0

CHAPTER 3

SERVICE DELIVERY PERFORMANCE

COMPONENT A: BASIC SERVICES

A1. INTRODUCTION

This component includes electricity; waste management; housing services; and a summary of free basic services.

Musina Local Municipality is licensed for electrical distribution in urban areas and Eskom is responsible for reticulation in the rural areas. The backlog of providing electricity in the rural villages remains a major challenge, ESKOM confirmed that there was no capacity to connect new developments pending the finalisation of Sanari-Manenzhe project. The purpose of implementing the project was to increase the substation and feeder lines capacity. All households in the Musina Town and Township have access to electricity, for the year under review, we have rolled out major network upgrades at various extensions.

The extension of the service in the rural area at a rate equivalent to the actual development in the area remains a challenge. The municipality provides these services with minimal interruption, such interruptions in the main are attributable to cable theft, planned and unplanned maintenance as well as ESKOM supply cuts for maintenance and load shedding. It is important to note that annually the unit implements network infrastructure refurbishment programmes.

A2. ELECTRICITY SERVICE DELIVERY LEVELS

ACHIEVEMENTS

During the 2021/2022 financial year, there were several things that the department has achieved pertaining to the delivery of basic services to our community. The department focused a lot on procurement of prioritised tools of trade to assist technical team when providing basic service delivery to our community. The following tools of trade were procured: Cherry Picker truck, Telescopic pole pruners and Scaffolding. The public lights were maintained to the required standards. We have also purchased a few important tools of trade to assist us in our daily operations.

The municipality in partnership with DeBeers mine through the SLP programme paid for electricity upgrade of Notified Maximum Demand from 2MVA to 8MVA. ESKOM is currently redesigning the bulk MV network supplying Rhino Ridge development. This electricity upgrade will assist the municipality with additional power when connecting different developments in town and Nancefield, such as RHINO RIDGE development, Ext 17 Industrial sites, etc. The designs for Ext 17 in Industrial area are completed and await the construction to begin.

As part of compliance, we also managed to work towards achieving all the issues raised in the NERSA Audit findings as per our license agreement. The main focus was to explore other means of revenue generation and to ensure the sustainability of maximum collection following applicable frameworks/guidelines. The financial year 2021/2022 has

The municipality embarked on the different programmes for the purpose of development of ring circuits in town in order to strengthen the network and to minimise the number of breakdowns. The development of ring feeder was done for Extension 14 feeder line combining it with Town 3 feeder line. Nancefield feeder line load was reduced to China Mall feeder line to prevent frequent trips that normally occur as a result of overload. Furthermore, the damaged cable in Nancefield Extension 4 next to Mzandis was also repaired to complete a ring connecting to Nancefield Ext 2 feeder line, this will enable the supply of electricity from different directions thereby maintaining electricity supply. The meter inspections were done on an ad-hoc basis as the majority of our time was spent on attending to emergencies.

The following transformer were upgraded/replaced:

1. Transformer in Nancefield Ext8, phase 2 (3338) was upgraded from 100kVA to 200kVA.
2. Transformer in Nancefield Ext8, phase 9 (3765/24) was upgraded from 100kVA to 200kVA.
3. Mini-sub in Musina Hospital was upgraded from 315kVA to 500kVA.
4. Musina Mall mini-sub replacement 500kVA.
5. Eagles landing transformer replacement 315kVA.
6. Nature reserve transformer replacement 200kVA.
7. Transformer replacement in Nancefield phase 12 (100kVA).

The following new transformer was installed:

1. Transformer supplying new Vehicle Testing Station was installed 100kVA.

The electrical team successfully installed a new underground MV cable in Extension 6 town along Ridge Street from Smith Street to Hill Avenue and the total measured distance was approximately 190 meters. The overhead combination of bare copper and aluminium line was removed as it was running of top of roof structures posing a serious risk to our community. A total length of the line removed was approximately 350 meters.

There are a number of trees which were pruned as they were encroaching to our electrical lines along the following areas: N1 road, Messina Extension 1,2,3,4,5,6,7 and 14, Nancefield Extension 1,2,4,5,6,7,8,9,10 and 14. The department attended to more than 1490 individual complains.

CHALLENGES

- Copper cable theft.
- Eskom ran out of capacity to supply most of our villages
- Depleted substation capacity.
- NERSA Audit findings.

- Electricity losses (Technical and non-technical)
- Lack of electricity infrastructure master plan, maintenance plan, and policies.
- Shrinking labour force
- Aging infrastructure.
- Servitude encroachment to our infrastructure.
- Feeder lines reaches their maximum capacity.
- Lack of resources (lack of replacement spares in the storeroom).
- Low staff morale.

A3. WASTE MANAGEMENT (THIS SECTION TO INCLUDE: REFUSE COLLECTIONS, WASTE DISPOSAL, AND STREET CLEANING, AND RECYCLING)

Musina Local Municipality strives very hard to maintain a clean environment. Municipal employees, EPWP and CWP workers clean across the streets of the CBD, township and villages. Waste is collected weekly from the doorsteps of the residents. In addition, skip bins and UCCT bins are placed at strategic positions within the township and CBD to ensure better waste collection. The municipality has 1 landfill site and this site was licensed on 12 December 2016. The landfill site is called Musina Landfill Site and this is where all waste from the jurisdiction of Musina is disposed.

The municipality advocates the waste hierarchy as per the Waste Management Strategy developed by the Department of Forestry, Fisheries and Environment which puts disposal of waste as a last resort and puts emphasis on waste avoidance, reduction, minimisation, recycling and re-use. There are six private companies that collect recyclables from the CBD as well as from Musina Landfill Site. The municipality recycles all paper and boxes generated at the Civic Centre and municipal workshop. Waste management/ environmental awareness and cleaning campaigns are organized on a regular basis in order to ensure that the community is aware of the impacts of waste on their health and wellbeing as well as on the environment. Community participation is paramount in waste management. A total of 20 awareness campaigns and 20 cleaning campaigns, were undertaken last year.

COMPONENT B: ROADS TRANSPORT

Musina Local Municipality has a backlog of roads & storm water since it grows out of the portion of settlements established and surfaced road network could not be done during installation of services due to insufficient budget.

Gravel Road Infrastructure				
	Kilometres			
	Total gravel roads	New gravel roads constructed	Gravel roads upgraded to asphalt	Gravel roads graded /maintained
2017/18	0	0	0	0

2018/19	0	0	0	0
2019/20	None	None	None	None

2021/22	16km	2 km	12km	none	0
T3.7.3					

CIVIL/MECHANICAL ENGINEERING

The department managed to procure LDV service vehicle for the purpose of responding swiftly to the fleet breakdowns. There were a number of potholes which were repaired in response of the maintenance demand. Road markings was done on a regular basis. Storm water and drainage structures were cleaned seasonally maintaining free flow of water and preventing blockages as well as flooding.

Civil department developed a program of replacing/maintaining the traffic signs to improve road safety while adhering to the road safety standards. The program of re-gravelling of roads in the villages was prioritised assisting many people leaving in the remote areas. Priority was given to the roads leading to the schools and areas affected by severe flood. The department also focused on the re-construction of washed away culverts during rainy seasons.

Above all, the team managed to provide the necessary support by providing TLB to the other departments such as Electricity, VDM and Community Services. The technical team also assisted by clearing/cleaning any rubbles found on the road reserve.

COMMENT ON THE PERFORMANCE OF ROADS AND OTHER OVERALL

Roads and storm water remain a number one priority list in the municipality. Tarring of the new roads is done from the own funded capital budget and the MIG funding. Road and maintenance team has been established in order to maintain roads and storm water infrastructure. Rehabilitation of storm water drainage system in town.

LIST CHALLENGES

- a). Municipal road infrastructure is overused. The demand is less than a supply as no upgrade exists and the rate of deterioration is too high. The roads will cost more to rebuild in the future.
- b). Lack of adequate provision of funds for maintenance to municipal road infrastructure
- c). Extent of water and sanitation reticulation repairs across municipal road infrastructure accelerates the rate of road infrastructure deterioration.
- d) Maintenance is done on ad-hoc basis as no accurate or reliable master plan exists.
- e) Understaffing (current vacancy occupation rate at 39%)
- f) High mechanical breakdown of plants and machinery including small equipment required in the maintenance of roads.
- h) SCM process and delays.
- i) Unauthorised and the invasion into municipal road reserves for utility installation and others.
- j) Illegal road users and unforced by-laws (heavy truck in internal streets
- k) Ageing road infrastructure.
- l) Construction of houses in the flood areas.

COMPONENT C: PLANNING AND DEVELOPMENT

For the 2022/2023 financial year, the municipality has realised direct retail stores investments including the new mall, factory shop and expansion of the central business district. The municipality has also started the process of compiling a Local Economic Strategy to provide clear guideline to ensure co-ordinated economic development initiatives.

As a special economic zone, Musina stands to increase its contribution to the provincial and national GDP arising from direct private and public investment ventures.

Musina Municipality and Musina town in particular also benefits from an advantageous strategic location in relation to the N1 and the Beitbridge, Pafuri and Pontdrift border posts. This creates opportunities for this locational benefit to be exploited and marketed to potential investors, in order to attract larger enterprises. Furthermore, by capitalizing on its location and improving its transport and logistics services to ensure the reliable movement of goods and services, the Municipality can reduce transaction costs for investors.

For the year under review the below mentioned projects were implemented by the municipality contributing to the local economic development in the affected area:

1. Nancefield Multi- Purpose Centre
2. Nancefield Ext 9 & 10 Paved road
3. Muswodi Community Hall
4. Manenzhe Sports facility.
5. EPWP project in waste management
6. LED strategy review
7. Community Works Programme
8. AWOME training program by De beers and UNWOMEN.
9. NARYSEC Program
10. Presidential Youth Programme
11. Capacity Building programmes for SMME's by Development Agencies.
12. N1 Ring Road by SANRAL

The municipality was able to complete 10 of the projects in time with 100 % expenditure.

Sector	2019/2020	2020/2021	2021/2022	2021/2022	2022/2023

COMMENT ON LOCAL JOB OPPORTUNITIES:

The municipality has seen an increase in the number of jobs created mostly arising from the private sector role players. One of the critical challenges in the creation of jobs is inadequate skills levels of the local job market as well as

preferences mostly in the Agriculture sector in our area to employee foreign nationals for unskilled and semi-skilled work opportunities.

Jobs Created during 20121/2022 by LED Initiatives (Excluding EPWP projects)				
Total Jobs created / Top 3 initiatives	Jobs created	Jobs lost/displaced by other initiatives	Net total jobs created in the year	Method of validating jobs created/lost
	No.	No.	No.	
2018/19	200 1700 CWP	0	1900	This includes EPWP in all sectors and CWP.
2019/20	1910	0	1910

2021/22	546
2022/23	292

Challenges and Opportunities

This entails problems that currently experienced by the local authority and have a bearing in land development matters in general. In addition, opportunities to that effect are also tabled in order to privilege the community with possible opportunities the municipality is likely to harness.

Challenges

- Disposal of Municipal land by unauthorized people,
- Inadequate business and industrial sites,
- Limited budget for settlement planning, formalization and lack of enforcement capacity to manage it,
- Mushrooming of informal settlements and Informal Business (Unlicensed)
- Poorly managed government owned properties.
- Land invasion
- Access to land for development from the government sector (DPW).
- Poor conditions of road infrastructure; traffic congestion in the CBD; population densities in Nancefield

Opportunities

- Agriculture potential
- Manufacturing sector – given the strong agricultural sector there are opportunities for expansion.
- Fast growing sectors: transport and construction – the growth should be exploited to ensure creation of new job opportunities
- Is a provincial growth point
- Is a host to strategic roads, i.e. the R25, N1 that provide accessibility to major urban centres and SADC countries.
- Availability of municipal land for development.
- Declaration of Special Economic Zone (SEZ)

Major investments or Disinvestments in the municipal Area

Projects	Area	Number of Jobs Created	Challenges	Interventions
SEZ North Site	Musina / Artonvilla	41	None	N/A
Venetia Underground Project	Venetia Mine	2678	None	N/A
Vele Coal Mine	Musina Dongola Farm	217	None	N/A
N1 Ring Road by SANRAL	Musina Town	640	None	N/A

COMPONENT D: COMMUNITY & SOCIAL SERVICES

Community Services is a department that deals with Housing, Library Services, Disaster Management, Licensing and Traffic Law Enforcement Services. Below is a summary of recorded performance:

D1. REGISTRATION AND LICENSING

Driving Licenses Testing Centre

Total numbers of Driving Licenses tested	958
Total number of PRDP issued	1273
Total number of Leaners licenses tested	1031

Vehicle Testing Station

Roadworthy vehicles tested	451
----------------------------	-----

Registration Authority

Total Vehicle license disc and renewal issued	14729
Total motor vehicle registered	1912

Challenges

- a) Registering Authority (RA) doesn't have control regarding Registration and Licensing of motor vehicles, e.g. PRDP, Renewals of Driving License, M/V and Police Clearance.
- b) Fluctuating demand of roadworthy applications and certification of roadworthiness.
- c) The driving license Testing Centre (DLTC) doesn't have control of any application regarding learner's license and driving licence which you can put targets because it fluctuates on a daily basis.
- d) Inadequate personnel = Three more personnel at the RA (Registering Authority) Licensing Officers to be added in order to provide efficient service. Currently we have one licensing officer.
- e) No filling clerk = filling clerk post to be filled.
- f) Load shedding – during load shedding, though we have back up system the network is very slow.

D2. TRAFFIC OPERATIONS

Total number of traffic fines issued	5700
Total number of scholar patrol	200
Total number of road safety campaigns	4
Total number of funeral escorts	336
Total number of point duties conducted	336
Speed law enforcement conducted	96
Total number of joint operations conducted	48
Total number of internal roadblocks conducted	60
The total number of vehicles stopped and inspected	47 880

Challenges

The challenges encountered during the financial year are as follows:

Road markings and signage more especially along the N1 at the CBD

Potholes and uneven road surface

Lack of tools of trade eg: patrol vehicles

Lack of vehicles and animal pound

Progression of traffic officers

Comments

As a municipality, we dedicated ourselves to giving efficient service delivery in and outside the CBD. Municipal Law enforcement contributes to broader traffic law enforcement interventions in collaboration with other dedicated Agencies.

D3. LIBRARY SERVICES

The municipality makes provision of library and information to the community, it also provides guidance and assistance to schools around its jurisdictional area. The municipality has two functional libraries, one in town and another one in the Nancefield area.

D4. CEMETERIES

Musina Local Municipality has planned to construct a new cemetery within Musina Town as the Mberegeni Cemetery has almost reached its full capacity. Musina Local Municipality has two cemeteries located in town and each of the villages has its own cemetery.

D5. COMMUNITY HALLS

The municipality has 9 Community Halls that serve as accommodation for public meetings and municipal meetings.

COMPONENT E: ENVIRONMENTAL PROTECTION

E1. ENVIRONMENTAL ISSUES

The municipality is faced with the following environmental challenges:

- Lack of resources for extension of waste management services to rural areas
- Deforestation
- Invasion of alien species
- Mine and industrial rehabilitation
- Reduction in scenic value
- Sinkholes
- Poaching
- Depletion of soil nutrients
- Soil erosion
- Long haulage distance from the villages to the landfill site
- Unsurfaced roads in the village
- Littering and illegal dumping of waste
- Lack of backup plant and equipment
- Burning of waste and skip bins
- Lack of a climate change mitigation and response strategy
- Outdated environmental management plan

COMPONENT F: HEALTH

F1. CLINICS, AMBULANCES AND HEALTH INSPECTION

For the year under review a dedicated municipal unit was established to coordinate special programmes initiatives in collaboration with other internal and external stakeholders.

Other than the facilitation role that we played we have championed specific youth, gender, disability, HIV/AIDS and senior citizens programmes. We have added a strong advocacy voice aimed at improving the plight of focus groups.

COMPONENT G: SAFETY AND SECURITY

G1. DISASTER MANAGEMENT

In terms of Disaster Management Act 57 of 2002 section 50(1), state that the disaster management centre of a municipality must submit a report annually to the municipal council on its activities during the year, the results of centre's monitoring of prevention and mitigation initiatives, disaster that occurred during the year in the area of the municipality, the classification, magnitude and severity of these disaster, the effects they had, particular problems that were experienced and lastly way in which these problems were addresses and recommendations. During this financial year, families affected by incidents were provided with food parcels and temporary shelters.

Disaster/incidents in the municipal area and intervention plans developed and implemented with the following role players:

(a) Assessment teams

Local Municipality disaster officials
Social Workers
Ward councillors
Ward committee members
SASSA officials
Community development workers

(b) Local disaster advisory forum stakeholders

- Local & District municipality stakeholders
- Sector Departments, Social Development, Health, SASSA, Public Works
- SANDF
- SAPS
- EMS
- Fire services
- Border management authority

- EMS & Fire fighter department
- Venetia Mine
- ESKOM
- Non-profit organizations.

(c) Disaster /incidents update reports

February national declared disaster report

Musina local municipality was severely affected by heavy storms and rain during the month of February, an assessment was conducted on housing and damaged road infrastructure by the Municipal disaster management centre, EDP, Technical Services, SASSA, NGO'S and other organs of state. National state of a disaster was classified and declared on the 13th February 2023 by the head of the National disaster management centre.

The assessment revealed the following damages:

(a) Total number of damaged houses/families affected :147

Affected villages:

Mataulu, Makavhini, Malale, Bennde Mutale, Tshiilamusi, Sanari, Madimbo, Doreen, Tanda, Tshivhongweni, Zwigodini, Bennde Mutale, Mshongoville, Folovhodwe, Tshiawelo, Sigonde, Rangani, Maramanzhi, Mabvete, Mataulu, Tshivaloni, Tshiungani, Ngudza, Madimbo, Tshikuyu, Manenzhe, Sanari, Matshena, Mmbodi, Muswodi, dipeni, Masea, Mapakoni, Mshongoville, Skoonplaas, Khembo.

(b) Challenges

- Delay in the provision of Emergency RDP housing by the Provincial Department of Cogosta.
- Lack of temporary housing provision
- No enough disaster personnel

(c) The following damaged roads and streets were assessed and received funding from the National Treasury following a disaster declaration.

Project	Budget	Progress to date
Damages on Skoonplaas drainage system	R 2 030 388,31	Project on practical completion Work achieved: construction box culvert, earthworks, road signs, gabions, stone pitching and stream widening Overall % = 100%

Tshikotoni bridge	R498 283 57	Project on practical completion: Construction of headwalls, wing walls, gabions, stone pitching and reinstating the approaches to culvert, road signs Overall % = 100%
Construction of Masisi culvert	R1 09 8 097 00	Project on practical completion. Work achieved: construction box culvert, earthworks, road signs, gabions and stone pitching Overall % = 100%

SEPTEMBER DISASTER INCIDENT REPORT

Musina local municipality areas has been affected by heavy rains, strong winds and hail which destroyed houses and as results households were left stranded with no place to stay. The most affected areas were the eastern side of Musina town namely; Bennde Mutale, Ngudza, Tshiawelo, Zwigodini and Mabvete. These areas are situated along the R525 road towards Pafuri boarder gate into Mozambique and they are always the victims of storm disaster caused by heavy rain and winds from the Mozambique channels along Kruger National Park and teams to conduct assessments to all affected households in all wards were dispatched and different interventions, techniques and approaches were utilized by all role players in order to remedy the situation.

(a) ASSESSMENT TEAMS

Local Municipality disaster officials

Social Workers

Ward councillors

Ward committee members

SASSA officials

Community development workers

(b) LOCAL DISASTER ADVISORY FORUM STAKEHOLDERS

- Local & District municipality
- Sector Departments, Social Development, Health, SASSA, Public Works
- SANDF
- SAPS
- EMS & Fire fighter department
- Venetia Mine
- ESKOM
- Non-profit organizations

(c) BREAKDOWN OF INTERVENTIONS PLANNED PER QUARTERS

INDICATOR	TOTAL NUMBER	QUARTER 2	IMPLEMENTED INTERVENTION	ROLE PLAYERS
Number of victims of disaster provided with trauma debriefing and counselling	349	Jul – Sep	349 victims were provided with trauma debriefing and counselling	Social Development
Number of victims of disaster provided with food parcels	267	Jul – Sep	267 victims were provided with food parcels	Gift of the givers foundation
Number of victims of disaster provided with vouchers	82	Jul – Sep	82 victims were provided with vouchers	SASSA
Number of victims of disaster provided with temporary shelters	9	Jul – Sep	9 victims were provided with temporary shelters	District Command centre
Number of disaster meeting attended	02	Jul – Sep	02 disaster meeting attended	Local Disaster Advisory forum

INDICATOR	TOTAL NUMBER	QUARTER 3	IMPLEMENTED INTERVENTION	ROLE PLAYERS
Number of victims of disaster assessed & provided with trauma debriefing and counselling	210	Oct - Dec	210 victims were provided with trauma debriefing and counselling	Social Development
Number of victims of disaster assessed & provided with food parcels	150	Oct - Dec	150 victims were provided with food parcels and 60 victims were assessed but never receive relief	COGSTA MEC
Number of victims of disaster assessed & provided with vouchers	0	Oct - Dec	no victims were provided with vouchers due to insufficient budget	SASSA
Number of victims of disaster provided with temporary shelters	0	Oct - Dec	no victims were provided with temporary shelters due unavailability of temporary shelters	District Command centre
Number of disaster meeting attended	03	Jul – Sep	03 disaster meeting attended	Local Disaster Advisory forum

(d) CHALLENGES

- No enough food parcels or materials from local nor district social development food bank to provide to affected households.
- Unavailability of temporary structures nor food parcels from Vhembe District Command Centre to assist households in dire need.
- Lack of budget for social relief grants vouchers from SASSA

(e) RECOMMENDATIONS

- Provision of allocation budget designated for disaster relief programme.
- Increase capacity of local disaster unit personnel and also appoint manager disaster management.
- Develop a district integrated model in terms of disaster relief budget for all relevant stakeholders.

(f) ANNEXURE: PICTURES TAKEN DURING DISASTER ASSESSMENTS VISITS

Roofing uprooted and family left stranded at Matshena village in ward 9 of Musina municipality

Big tree blown out by heavy winds and fell into houses at Nancefield, Musina ward 4

A roof was uprooted by heavy storm and damage electricity cables and vehicles, @ Ext 14 ward 6 Musina

Families were left stranded as their houses were destroyed by heavy storm at Bennde Mutale in ward 12

COMPONENT H: SPORT AND RECREATION

H1. COMMUNITY FACILITIES

The municipality has the following community facilities:

Multipurpose centre

Stadiums

Lesley Manyathela, Madimbo, Nancefield extension 5, Nancefield extension 6 and Nancefield Extension 7 and Manenzhe.

Other Stadiums

Malale and Musina Rugby field

Museum

COMPONENT I: CORPORATE POLICY & OTHER SERVICES

I.1. FINANCIAL SERVICES

BUDGET AND REVENUE COLLECTION

MLM is a rural municipality with a high volume of outstanding consumer debts. This leads to financial burden with none and/or underpayment for services. The Municipality has however in process of developing the Revenue Enhancement Strategy to address this challenge since the outstanding debt affects the cash-flow status of the municipality.

The Municipality had a total revenue budget of R451 042 000 that was adjusted upwards to R525 553 000 during budget adjustment. The actual revenue realized is R803 146 916 and this resulted in over-performance variance of R 275 542 916. Grants and subsidies amounting to R234 450 000 were received during the financial year under review and they contributed a major portion of the total revenue base of the municipality since the grants dependency rate in thereof was 29%. The municipality had unspent MIG of R10 106 761 in 2022/2023 financial year. The transfers and subsidies is comprised of R198 183 000 that is operational and R 36 267 000 that is capital.

I.2. HUMAN RESOURCE SERVICES

The Human Resource Division as a strategic partner in the Integrated Development and Planning (IDP) and its implementation, has managed to support all departments in implementing IDP objectives. The division, amongst other areas of support, has played a role in administering staff provisioning, personnel maintenance, labour relation, training and development and organizational development during the financial year 2022/2023

Staff Provisioning

In the financial year 2022/2023, the Municipality Prioritised to fill the position of the General Manager Technical Services, General Manager Community Services and General Manager Economic Development and Planning.

Organizational Structure

The Organizational Structure of the Municipality was reviewed and adopted by the council for implementation in May 2022.

I.3. ICT SERVICES

The Information and Communication Technology (ICT) Department has the responsibility to acquire, operate and maintain information technology hardware and software to improve business processes and service delivery. The ICT department has ensured the operation of 7 servers and 150 end users notebooks and workstations during the financial year 2022/2023. The municipality has all relevant licensing for its software systems which are required to complete operational procedures.

The ICT Department has reviewed 11 policies and 3 plans during the 2022/2023 financial year. The policies are driven by Corporate Governance of ICT and a number of these policies guide end-users with the appropriate behaviour and approved processes while operating on the municipal ICT equipment and systems.

The municipality has an obligation to its customers and other entities in providing information through accessible means, this is achieved through publications on our website (www.musina.gov.za). The website makes use of a Website Content Management System (WCMS). The use of WCMS allows the municipality to publish content in-house without the need of staff members with programming backgrounds and reduces hourly rates charged by service providers. This enables the largest contributor to municipal website content, the Communications Department, to upload articles when necessary, improving publication turnover times.

The municipality replaced redundant and outdated network based multifunction printers (MFP) to improve printing, copying and scanning services. The MFPs are centrally controlled to implement cost saving initiatives and the management of the leased assets over the contracted period.

ICT Challenges

Servers, laptops and computers have exceeded their use for life. In order to remedy this challenge, the ICT Department is currently in the process of replacing these assets in a phased-in approach over 2 years. The phased-in approach will allow the municipality to reduce the pressures experienced with budgeting and expenditure limitations.

COMPONENT J: MISCELLANEOUS

Musina Municipality does not have Entities

K. ORGANISATIONAL PERFORMANCE SCORECARD

K1. PERFORMANCE MANAGEMENT

In MLM, performance management is limited to Section 56 Managers. The municipality has conducted the 2022/2023 mid-year assessments as a measure to detect poor performance at an early stage. Through the session, General Managers are offered an opportunity to state their challenges and be assisted by panel members based on those challenges in order to meet their set targets by the end of the financial year. All Section 54 and 56 Managers signed performance agreements and Performance Plans. Progress review of the service delivery and budget implementation plan was done every quarter.

During the year under review the following officials signed their performance agreements:

Performance agreements

Major investments or Disinvestments in the municipal Area

Projects	Area	Number of Jobs Created	Challenges	Interventions
SEZ North Site	Musina / Artonvilla	35	None	N/A
Venetia Underground Project	Venetia Mine	400	None	N/A
Vele Coal Mine	Musina Dongola Farm	80	None	N/A
N1 Ring Road by SANRAL	Musina Town	640	None	N/A

PROGRESS ON THE IMPLEMENTATION OF KEY PERFORMANCE INDICATORS

There was 134 total number of indicators in the municipal SDBIP for 2022/23 as approved by the mayor. The 2022/23 financial year reflects an increase in the performance of the Municipality of 93% of the achieved targets in 2022/23 financial year.

The SDBIP contains the objectives and indicators as per the Municipal Integrated Development Plan (IDP) as well as General Key Performance Indicators as prescribed in terms of Section 43 of the Municipal Systems Act and Regulation 796 of 2001. The SDBIP for 2022/23 was developed to reflect cumulative and non-cumulative performance, therefore the status of indicators is also cumulative and non-cumulative, and reflection of the overall performance level achieved year to date.

Below are some of the projects that could not be implemented due to budget adjustment during the mid-year budget review.

Item No.	IDP Project	KPI	Budget	SDBIP Target	Progress	Measures to Improve Performance	Adjustment Proposals
1	Installation of Scada System	Number of Scada System Installed	R400 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
2	Virtual Servers	Virtual Servers	1.2 M	3	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and time left to realise the programme.
3	Procurement of Airless Sprayer	Number of Airless Sprayer procured	R200 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
4	Procurement of Air compressor/ Jag hammer	Number of the Air compressor/ Jag hammer procured	R250 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
5	Cleaning of the Storm water Channel	Kilometres of the Storm Water Channel Cleaned	Opex	1km	0	Review for the inclusion in 2023/2024 SDBIP	Not a SMART Indicator

6	Procurement of Rock-breaker	Number of Rock-breaker procured	R70 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
7	Procurement of 24KV Pressure Tester	Number of 24KV Pressure Tester Procured	R190 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
8	Procurement of Safety Harness	Number of Safety Harness procured	R100 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints and a Non-Core Basic Service Delivery Indicator
9	Inspection of Electricity meters	Number of electricity meters inspected	Opex	8000	0	Priorities in the 2022/2023 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to inadequate capacity, resources and time left to realise the programme.
10	Welcoming Signage	Number of Welcoming Signage facilitated	R400 000	1	0	SEZ Project	Remove since this will be covered through the SEZ project
11	Revitalization of Youth Projects	Number of Youth Projects revitalized	R140 000	1	0	Review for the inclusion in 2023/2024 SDBIP	Not a SMART Indicator since Land is not readily available.
12	Procurement of Skip Loader Truck	Number of Skip Loader Truck Procured	R1.3 M	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
13	Procurement of Compactor Truck	Number of Compactor Truck Procured	R1.74 M	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.

14	Purchase of Skip Bins	Number of Skip Bins Purchased	R155 000	10	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
15	Purchase of Street Bins	Number of Street Bins Purchased	R93 170	100	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
16	Purchase of UCCT Bins	Number of UCCT Bins Purchased	R192 000	6	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
17	Procurement of Crusher for electronic bulb	Number of Crusher for electronic bulb procured	R65 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
18	Procurement of Bakkie	Number of Bakkie procured	R460 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints.
19	Procurement of Heavy Duty man propelled Lawn mower	Number of Heavy Duty man propelled Lawn mower procured	R180 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints
20	Purchase of 4 Ton Truck	Number of 4 Ton Truck Purchased	R463 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints
21	Climate change strategy and response	Number of Climate change strategy and response developed and implemented	R800 000	1	0	Priorities in the 2023/2024 Budget	Remove from current year SDBIP and defer for inclusion in the 2023/24 SDBIP due to Financial Constraints

6. THE DETAILED PROGRESS REPORT FOR ACHIEVED AND NON-ACHIEVED TARGETS AS PER THE FINAL APPROVED 2022/2023 SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN

6.1 KPA 1: BASIC SERVICE DELIVERY

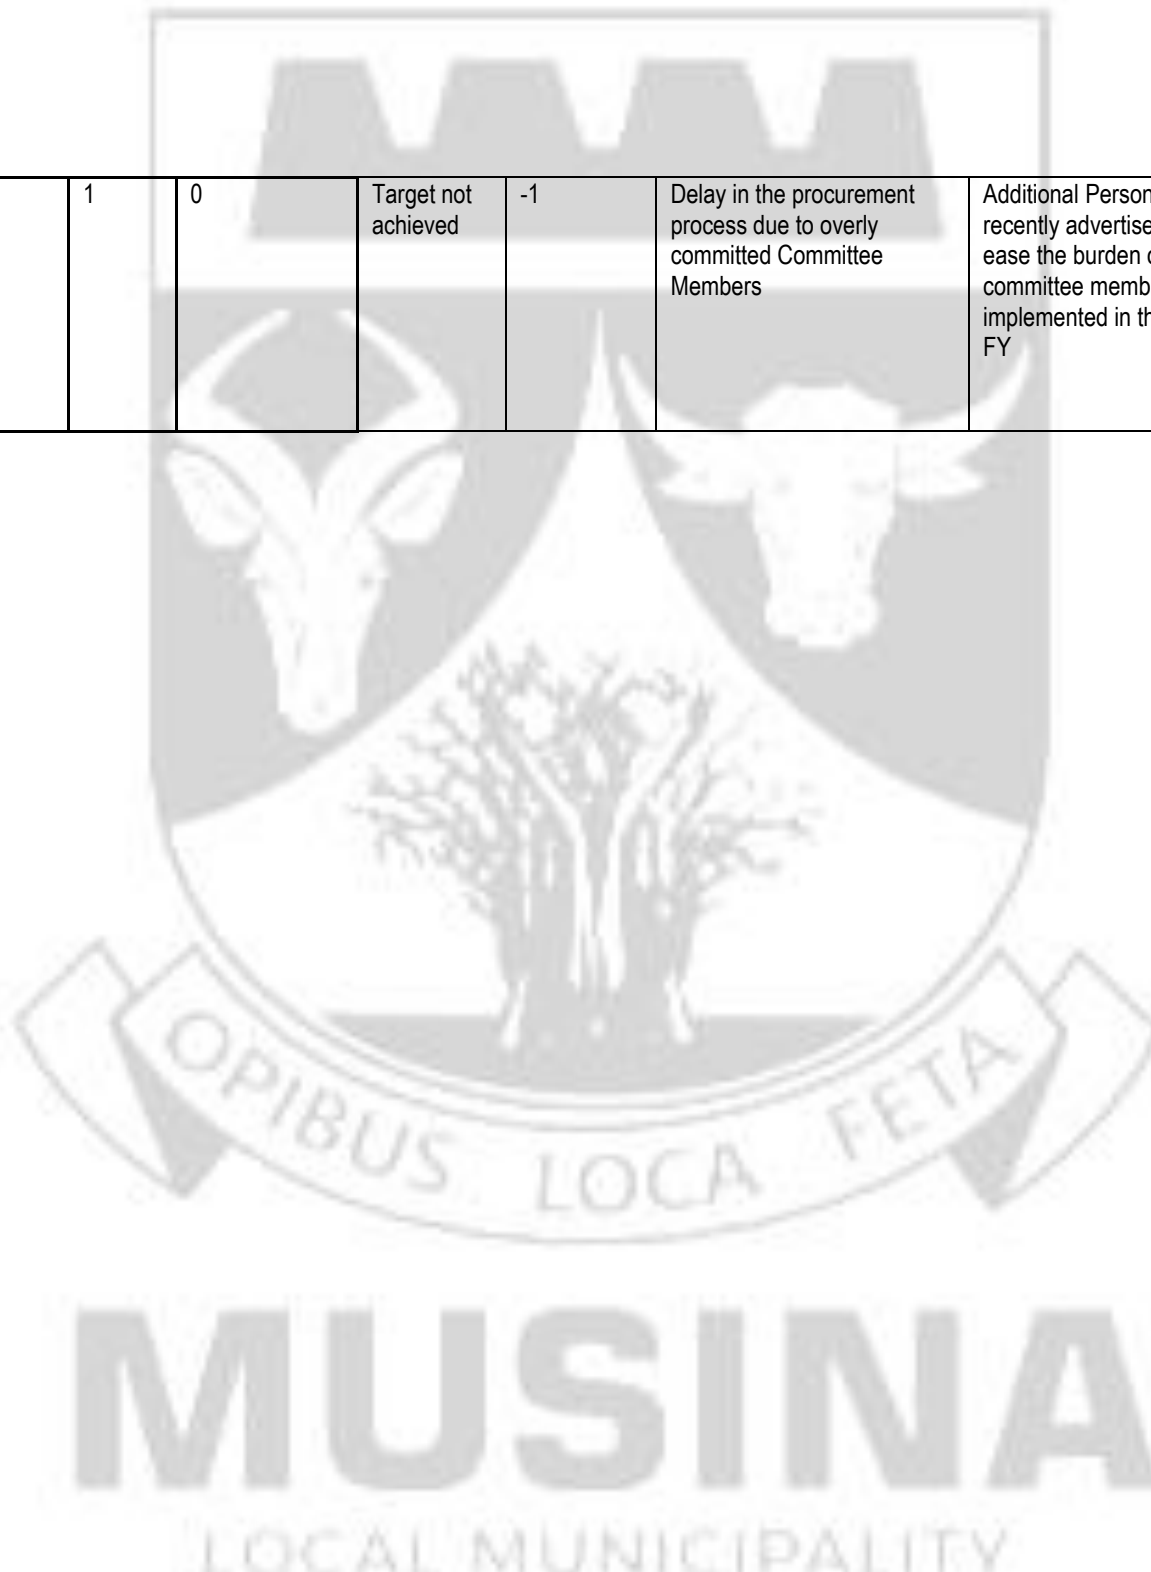

STRATEGIC OBJECTIVE: TO INITIATE AND IMPROVE THE QUANTITY AND QUALITY OF MUNICIPAL INFRASTRUCTURE SERVICES

TECHNICAL SERVICES

PRIORITY/ FOCUS AREA: PMU									
Item No.	Key performance indicator	Baseline	22//23 Annual Target	22/23 Total Annual Performance	Performance Remark	22/23 Variance	Reason For Variance	Measures to Improve performance	Means of Verification
1.	Number of Tshivhongweni to Tshipale Bridge constructed	0	1	1	Target Achieved	0	None	None	Progress reports/ Completion certificate
2.	Number of Nancefield Graveyard project Completed	New	1	1	Target Achieved	0	None	None	Progress reports/ Completion certificate
3.	Number of the Tshikudini Community Hall Constructed	New	1	0	Target not Achieved	-1	The project is on practical completion as of 30th June 2023. The delay was caused by Late delivery of materials in the initial phase and the arithmetic error in the BOQ caused the delay and laborers strike due to late payment by the contractor	The municipality has done the verification on BOQ before appointment and the project started moving accordingly to be realized in the 1st quarter of the 23/24 Financial Year.	Practical Completion certificate/ Progress Reports

4.	Number of Lesley Manyathela Stadium Rehabilitated	New	1	0	Target not achieved	-1	Delays caused by slow progress on site, and late payment of laborers. Disputes by SMMEs	To ensure that Labourers are paid on time Negotiations with the SMMEs and the project started running to be completed in the 23/24 FY	Practical Completion Certificate/ Progress reports
5.	Number of the Mabvete Community Hall Constructed	New	1	0	Target not achieved	-1	Late Delivery of material which resulted with the slow progress on site	Follow-up with the Relevant Suppliers. Project to be completed in 23/34 FY	Progress reports
6.	Number of the Shakadza Multi-Purpose Centre Constructed	New	1	0	Target not achieved	-1	Late Delivery of material which resulted with the slow progress on site	Follow-up with the Relevant Suppliers. Project to be completed in 23/34 FY	Progress reports
7.	Kilometers of the Nancefield Ext 9&10 Paved Road Constructed (Phase 2)	New	1.1 km	0	Target not achieved	-1.1km	Disputes by Sub-Contractors. Encroachment of a building within the road reserve. Late Delivery of material on site.	Number of negotiations with the Subcontractors and ERF Owner. Follow-up with the Relevant Suppliers. Project to be completed in the 23/24 FY.	Progress report
PRIORITY/ FOCUS AREA: ELECTRICAL ENGINEERING SERVICES									
8.	Development of a detailed design for Rhino Ridge Electrification	New	1	1	Target Achieved	0	None	None	Copy of the Approved detailed Design/ Progress report

9.	Commencement of Electrification project in Rhino Ridge	New	1	0	Target not achieved	-1	Delay in the procurement process due to overly committed Committee Members	Additional Personnel on recently advertised posts to ease the burden on existing committee members. To be implemented in the 23/24 FY	Progress reports
----	--	-----	---	---	---------------------	----	--	---	------------------

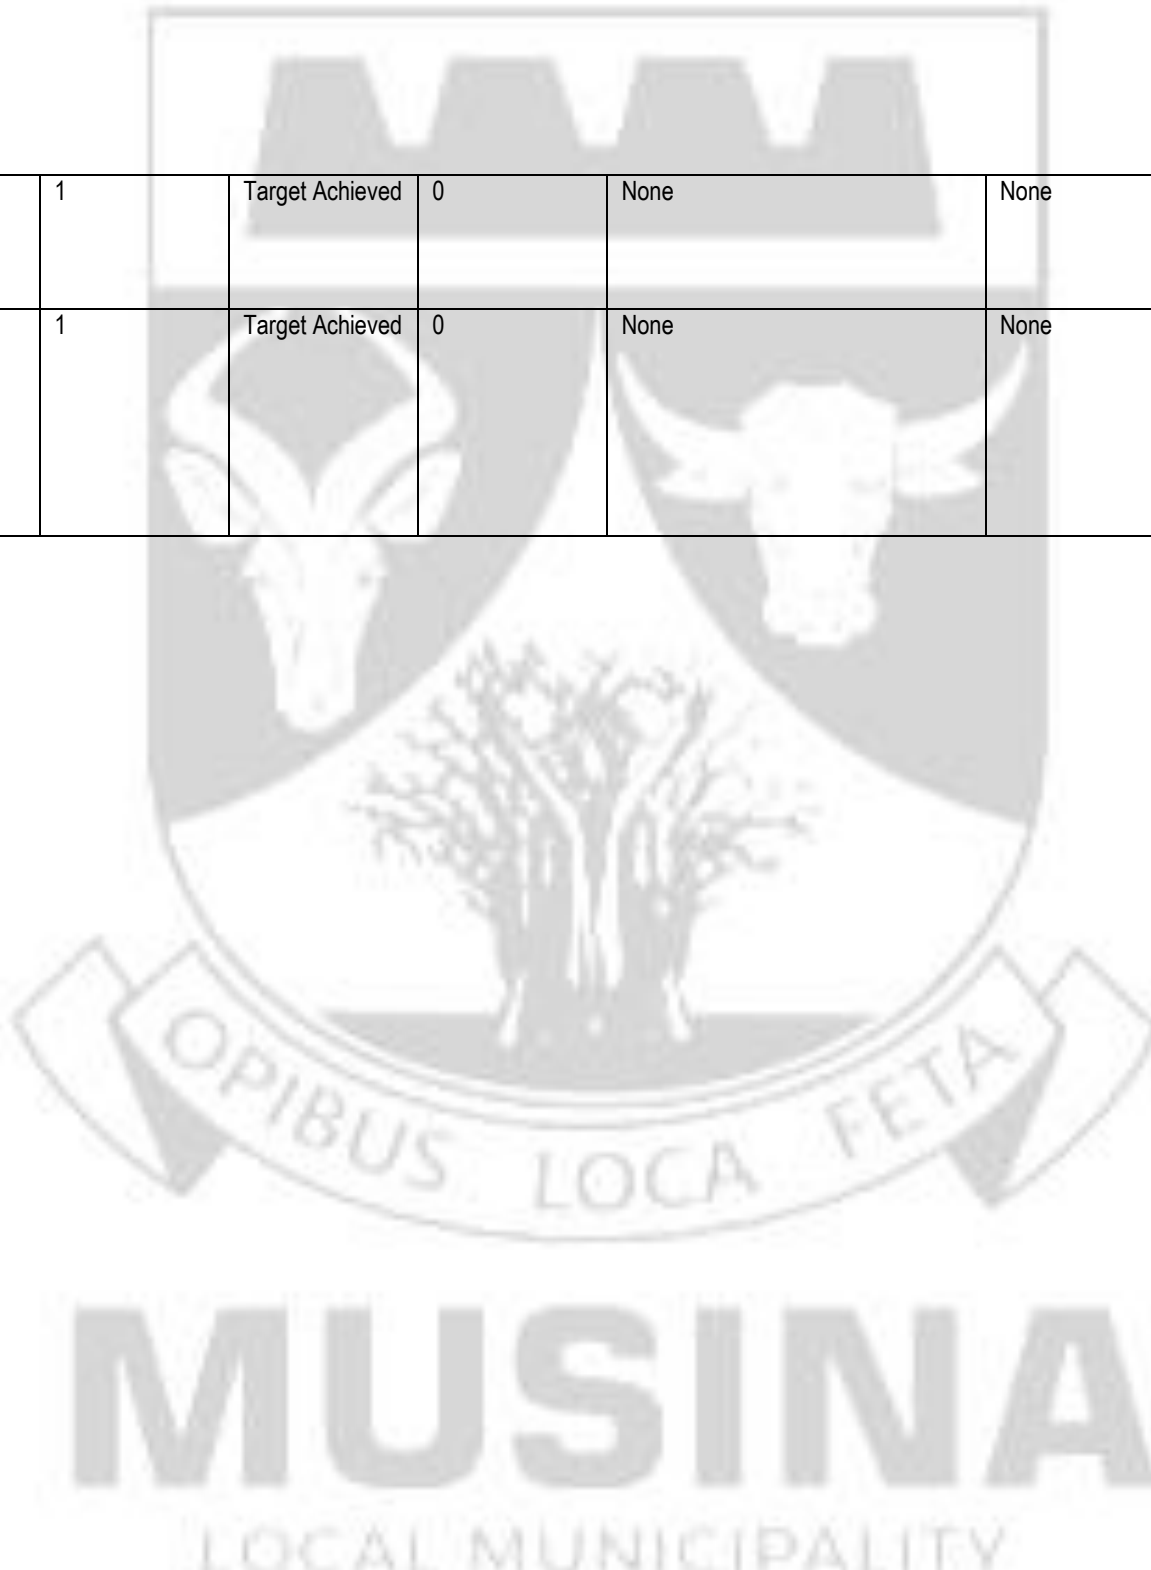

6.2 KPA. 2: GOOD GOVERNANCE AND PUBLIC PARTICIPATION

STRATEGIC OBJECTIVE: TO DEEPEN DEMOCRACY AND PROMOTE ACCOUNTABILITY

MUNICIPAL MANAGER

PRIORITY/ FOCUS AREA: COMMUNICATIONS									
Item No.	Key performance indicator	Baseline	22/23 Annual Target	22/23 Total Annual Performance	Performance Remark	22/23 Variance	Reason For Variance	Measures to Improve performance	Means of Verification
1.	Number of Communication Strategy reviewed	New	1	1	Target Achieved	0	None	None	Copy of the communication Strategy
PRIORITY/ FOCUS AREA: SPECIAL PROGRAMMES									
Item No.	Key performance indicator	Baseline	22/23 Annual Target	22/23 Total Annual Performance	Performance Remark	22/23 Variance	Reason For Variance	Measures to Improve performance	Means of Verification
2.	Number of Total Ward committee meetings held	17	144	123	Target Not Achieved	-21	Unavailability of Ward Councillors due to other Urgent Commitments	To ensure that the Ward Committee Annual Schedule is implemented as approved	Ward Committee Annual Schedule, Attendance Registers
3.	Number of ward general meeting held	17	36	62	Target Achieved	+36	Additional Community Service delivery matters	None	Invitations, Attendance Registers
4.	Number of MPAC activities coordinated	14	12	17	Target Achieved	+ 5	Investigations that needed further attention	None	Invitations, Agenda, Attendance Registers
PRIORITY/ FOCUS AREA:IDP									
5.	Number of IDP/BUDGET process plan approved	1	1	1	Target Achieved	0	None	None	Council Resolution

6.	Number of Draft IDP council approved	1	1	1	Target Achieved	0	None	None	Council Resolution
7.	Number of final IDP council approved	1	1	1	Target Achieved	0	None	None	Council Resolution
PRIORITY/ FOCUS AREA: RISK MANAGEMENT									
8.	Number of Strategic Risk Register developed	1	1	1	Target Achieved	0	None	None	Copy of the Strategic Risk Register
9.	Number of risk management policy reviewed	New	1	1	Target Achieved	0	None	None	Council Resolution, Minutes of the Committee
10.	Number of risk management strategies reviewed	New	1	1	Target Achieved	0	None	None	Council Resolution Minutes of the Committee
11.	Number of Anti-Fraud and corruption policies reviewed	New	1	1	Target Achieved	0	None	None	Council Resolution Minutes of the Committee
PRIORITY/ FOCUS AREA: SECURITY MANAGEMENT									
12.	Number of security Policies reviewed	New	1	0	Target Not Achieved	-1	Due to the unavailability of the review committee	To ensure that the Committee is in place	Council Resolution
PRIORITY/ FOCUS AREA: INTERNAL AUDIT

The logo of Musina Local Municipality is a shield-shaped emblem. At the top is a crown-like structure. Below it, the shield is divided into four quadrants: the top-left and bottom-right quadrants contain a white antelope head (likely a kudu) on a grey background, while the top-right and bottom-left quadrants contain a white bull head on a grey background. In the center of the shield is a white tree. Below the shield is a banner with the Latin motto "OPIBUS LOCA FETA".

CHAPTER 4

ORGANISATIONAL DEVELOPMENT PERFORMANCE

COMPONENT A: INTRODUCTION TO MUNICIPAL PERSONNEL

Human resource services for the municipality are reasonably effective and efficient, and relatively meet the expectations of the community at large. The department is responsible for attracting skilled workforce, motivating workforce to perform the required tasks and continuous capacity building of personnel.

The Human Resource Division as a strategic partner in the Integrated Development and Planning (IDP) and its implementation, has managed to support all departments in implementing IDP objectives. The division, amongst other areas of support has played a role in administering staff provisioning, personnel maintenance, labour relation, training and development and organizational development during the financial year 2022/2023.

Staff Provisioning

In the financial year 2022/23, the Municipality filled positions of the Municipal Manager, General Manager Corporate Services, General Manager Community Services, General Manager Technical Services and General Manager Economic Development and Planning.

Organizational Structure

The Organizational Structure of the Municipality was reviewed and adopted by council for implementation.

Analysis on Staffing, filling of critical posts, vacancy rate, contract and project management capacity

The Musina Local Municipality has approved Organogram which is reviewed annually in line with IDP Review process to ensure institutional readiness and capacity to implement the IDP. Table A1 below indicates that there are 693 posts of which 324 are filled and only 342 vacant positions budgeted for 2022/23 financial year.

The municipality has 3 critical vacant positions, namely General Manager Technical Services, General Manager Community Services and General Manager Economic Development and Planning which was not filled by the end of the financial year.

B2. TERMINATIONS 2022/2023

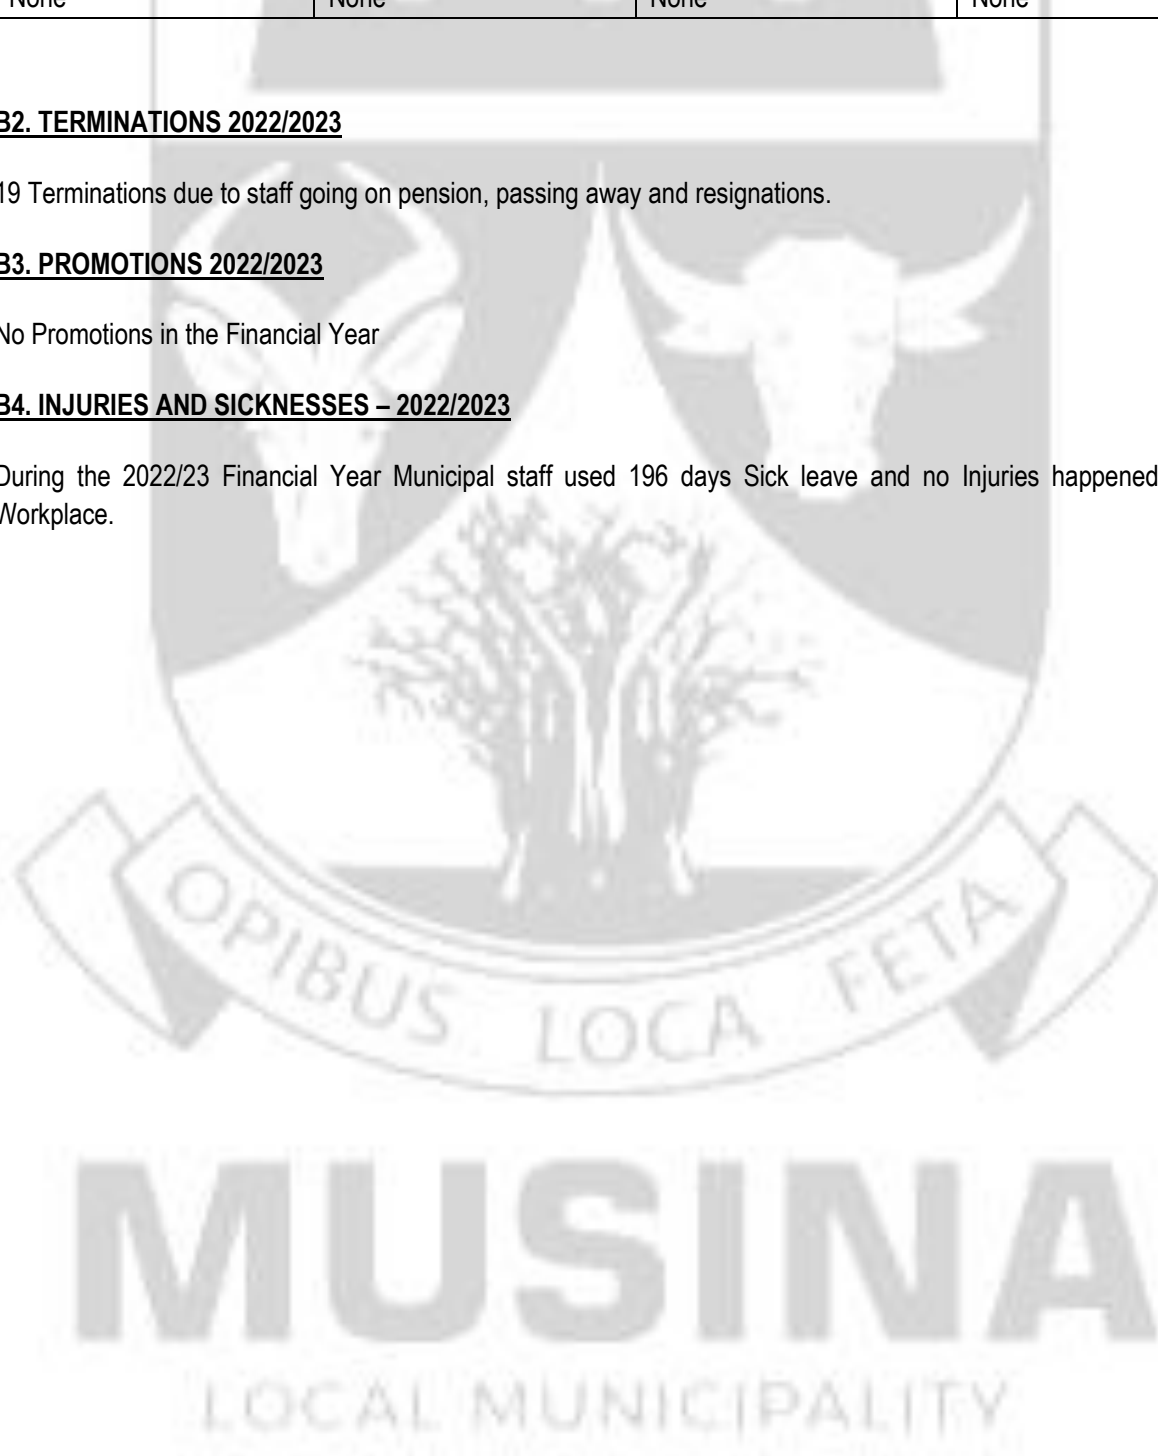

19 Terminations due to staff going on pension, passing away and resignations.

B3. PROMOTIONS 2022/2023

No Promotions in the Financial Year

B4. INJURIES AND SICKNESSES – 2022/2023

During the 2022/23 Financial Year Municipal staff used 196 days Sick leave and no Injuries happened in the Workplace.

COMPONENT C: CAPACITATING MUNICIPAL WORKFORCE

C1. CAPACITATING THE MUNICIPAL WORKFORCE (SDF)

Musina Local Municipality has developed the WSP for the year for 2022/2023 and it was submitted to LGSETA on the 28 April 2021 together with the Annual Training report for the year under review. R179 332.80 rebates were received from the LGSETA for the year under review.

Municipality has a work skills plan (WSP) that is utilised for capacity building of staff. Each department is requested to forward their training plans to corporate services in May each year, in order to be included in the WSP which serves as a guide as to how many officials should undergo training in the next financial year. The plan is also used to determine the expenditure for training. For the year under review, 72 employees and 6 councillors received different training. The WSP and annual training report were submitted to LGSETA.

LOCAL MUNICIPALITY

COMPONENT D: MANAGING THE WORKFORCE EXPENDITURE

EMPLOYEE EXPENDITURE

The municipality manages its workforce expenditure very well, even though we experienced challenges with our overtime cost during 2022/2023. MLM has the organisational structure that is aligned to the IDP and budget, to ensure that all workforce expenditure has been budgeted for.

The original budget for operating expenditure was R 446 041 000 that was adjusted to R 473 435 000 and the actual expenditure thereof is R 442 700 153. This reflects positive variance of R- 30 734 847. The major portion of operating expenditure is employee related cost that had original budget of R 175 088 000 and the budget was adjusted to R 180 860 000, and the actual expenditure thereof is R 166 418 526 and the reflected under-spending variance is attributed to R 14 441 474.

BUDGET AND REVENUE COLLECTION

MLM is a rural municipality with a high volume of outstanding consumer debts. This leads to financial burden with none and/or underpayment for services. The Municipality has however in process of developing the Revenue Enhancement Strategy to address this challenge since the outstanding debt affects the cash-flow status of the municipality.

The Municipality had a total revenue budget of R451 042 000 that was adjusted upwards to R525 553 000 during budget adjustment. The actual revenue realized is R803 146 916 and this resulted in over-performance variance of R 275 542 916. Grants and subsidies amounting to R234 450 000 were received during the financial year under review and they contributed a major portion of the total revenue base of the municipality since the grants dependency rate in thereof was 29%. The municipality had unspent MIG of R10 106 761 in 2022/2023 financial year. The transfers and subsidies is comprised of R198 183 000 that is operational and R 36 267 000 that is capital.

SOURCE: MLM MUSINA AFS

The Municipality had a total revenue budget of R451 042 2000 that was adjusted upwards to R525 553 000 during budget adjustment. The actual revenue realized is R803 146 916 and this resulted in over-performance variance of 275 542 916. Grants and subsidies amounting to R234 450 000 were received during the financial year under review and they contributed a major portion of the total revenue base of the municipality since the grants dependency rate in

thereof was 29%. The municipality had unspent MIG of R10 106 761 in 2022/2023 financial year. The transfers and subsidies is comprised of R198 183 000 that is operational and R 36 267 000 that is capital.

Operating grants that is inclusive of equitable share.

The total revenue budget for service charges, rental of facilities and equipment, and property taxes amounted to R 205 944 000 and the actuals thereof amounted to R 194 405 360 that gave rise to under-performance variance of R11 538 640. Motor vehicle licenses and fines contributed to a total budget of R 6 306 000 and the actual therefore amounts to R5 553 576 which gave rise to the under-performance amounted to R752 424.

COMPONENT B: MANAGING THE WORKFORCE EXPENDITURE

EMPLOYEE EXPENDITURE

The municipality manages its workforce expenditure very well, even though we experienced challenges with our overtime cost during 2022/2023. MLM has the organisational structure that is aligned to the IDP and budget, to ensure that all workforce expenditure has been budgeted for.

The original budget for operating expenditure was R 446 041 000 that was adjusted to R 473 435 000 and the actual expenditure thereof is R 442 700 153. This reflects positive variance of R- 30 734 847. The major portion of operating expenditure is employee related cost that had original budget of R 175 088 000 and the budget was adjusted to R 180 860 000, and the actual expenditure thereof is R 166 418 526 and the reflected under-spending variance is attributed to R 14 441 474.

BUDGET AND REVENUE COLLECTION

MLM is a rural municipality with a high volume of outstanding consumer debts. This leads to financial burden with none and/or underpayment for services. The Municipality has however in process of developing the Revenue Enhancement Strategy to address this challenge since the outstanding debt affects the cash-flow status of the municipality.

The Municipality had a total revenue budget of R451 042 000 that was adjusted upwards to R525 553 000 during budget adjustment. The actual revenue realized is R803 146 916 and this resulted in over-performance variance of R 275 542 916. Grants and subsidies amounting to R234 450 000 were received during the financial year under review and they contributed a major portion of the total revenue base of the municipality since the grants dependency rate in thereof was 29%. The municipality had unspent MIG of R10 106 761 in 2022/2023 financial year. The transfers and subsidies is comprised of R198 183 000 that is operational and R 36 267 000 that is capital.

Total Capital Expenditure (R'000)		
Detail	2022/2023	2021/2022
Original Budget	32 713 000	36 988 000
Adjustment Budget	32 713 000	36 988 000
Actual	30 940 960	31 409 279

REVENUE

Property rates

The original budget for property rates for 2022/23 financial year was R 25 814 000 which was adjusted to the same amount. The actual revenue billed is R 26 814 069 this gave rise to favourable variance of R 1 000 069.

Service charges

This is made up of service charges for electricity and refuse removal and the original budget thereof was R 179 572 000 which was adjusted to the same and the actual revenue generated was R 167 121 950 that reflects a variance of R 12 450 050 of the adjusted budget.

Investment revenue

The original budget was R 527 000 which was adjusted to the same amount and the actual R 1 586 227 and favourable variance of R 1 059 227.

Transfer recognized

This is revenue realized from both conditional and unconditional operating grants and subsidies including equitable share. The results show full spending on unconditional grants, however conditional grants has an unspent amount of R 10 106 761.

Other Income

Other revenue mostly consists of sale of stands and agency fee of which 100% of the budget was realised.

Employee related cost

Employee Cost resulted in 92% of the actual expenditure against the Employee related cost Budget.

Depreciation and asset impairment

Provision was made in the budget for capital asset depreciation and impairment and the budget thereof was R30 942 000 and the actual expenditure was R 39 248 678.

Materials and bulk purchases

The major portion of this line item was mainly for purchase of electricity and material.

Transfers and grants – expenditure

Transfers and grants refer to subsidies made to indigent and pensioners consumers, external bursaries awarded. The subsidies were done in the form of special rebates on property rates and free basic electricity.

The budget provision still appears to be too little in light of Equitable share allocation that amounted to R 4 390 000 since this is the source of funding thereof.

GRANTS

COMMENT ON OPERATING TRANSFERS AND GRANTS:

All grants gazetted for 2022/23 financial year were received and cognizance should be taken that the above table does include capital grants. The total amount received on operational grants amounted to R 198 183 000 during the 2022/23 financial year. All grants were received from national sphere of government and nothing was gazetted to be received from the provincial government.

COMMENT ON CONDITIONAL GRANTS AND GRANTS RECEIVED FROM OTHER SOURCES:

No grants were received from other sources.

COMMENT ON ASSET MANAGEMENT:

All year end procedures regarding assets have been done and all journals posted, the carrying value has since been updated.

COMMENT ON REPAIR AND MAINTENANCE EXPENDITURE:

Repairs and maintenance of assets were done mainly on electrical infrastructure and vehicles.

FINANCIAL RATIOS BASED ON KEY PERFORMANCE INDICATORS

Liquidity ratio

Liquidity Ratio – Measures the municipality's ability to pay its bills, and is calculated by dividing the monetary assets by the municipality's current liabilities. A higher ratio is better; however the graph portrays a picture that shows a staggering liquidity ratio for 2022/23 financial year since the ratio is less than 1. This is attributed to high amount of invoices that were not paid at year end.

Outstanding Debtors to revenue

52%

Outstanding Service Debtors to Revenue - Measures how much money is still owed by the community for electricity, waste removal and other services, compared to how much money has been paid for these services. It is calculated by dividing the total outstanding debtors, by the total annual revenue thereof. A lower score is better. The graph shows that the municipality has a ratio of 52% outstanding debtors that has slightly increased by 3% when compared to 2021/22 ratio.

Employee cost

23%

Employee related cost ratio measures what portion of revenue was spent on paying employee costs. It is calculated by dividing the total employee cost by the difference between total revenue and capital revenue

Repairs and maintenance

0.35%

Repairs and Maintenance - This represent the proportion of operating expenditure spent, and is calculated by dividing the total repairs and maintenance by total revenue excluding capital revenue.

COMMENT ON FINANCIAL RATIOS:

The municipality is still facing a challenge of achieving threshold of operating expenditure for repairs and maintenance. Liquidity ratio is negatively affected by invoices that are paid as accruals at year end since the magnitude thereof was too high in 2022/23 financial year as those invoices are treated as current liabilities. The municipality is in a process of implementing cost containment measures as documented in the National Treasury Instruction letter number 01 and this will result in improved liquidity ratio and in addition, it will do away with unnecessary expenditure.

COMPONENT C: SPENDING AGAINST CAPITAL BUDGET

INTRODUCTION TO SPENDING AGAINST CAPITAL BUDGET

Capital expenditure relates mainly to projects and/or items whose outputs will result in assets that will have to be documented in the asset register. Capital expenditure is funded from grants and own revenue. Component B deals with capital spending, indicating where the funding comes from and whether the Municipality is able to spend the

available funding as planned. In this component, it is important to indicate the different sources of funding as well as how these funds are spent

MIG							
PROJECT	Funding	Budget Amount	Amount Paid excel Vat	VAT	Retention excel VAT	VAT	Total Amount On Paid

Electrification of Villages	OWN	1 000 000	1 943 679	291 552	63 366	9 505	2 308 101
Tshibongweni Bridge	MIG	508 920.09	805 951	120 893	55 710	8 356	990 909
Nancefield 6-12 phase 2	MIG	68 802.22	53 734	8 060	-	-	61 794

COMMENT ON SOURCES OF FUNDING:

The municipality have spent 87% of their capital funding as at 30 June 2023

The original capital budget for 2022/23 financial year was R36 267 000. The actual expenditure is R31 738 960 and this reflects a variance of R 10 106 761.

COMMENT ON CAPITAL PROJECTS:

During 2022/2023 Financial Year, the Municipality received the Total Allocation of R R32 713 000 of MIG grant and R 3 554 000 of Disaster grant respectively.

COMPONENT D: CASH FLOW MANAGEMENT AND INVESTMENTS**INTRODUCTION TO CASH FLOW MANAGEMENT AND INVESTMENTS**

The cash flow outcome presents the actual revenue and actual payments made during the year under review. Actual revenue realized should be differentiated from revenue billed because revenue billed does not portray the holistic financial position and performance of the municipality.

As a result, the cash flow outcome is presented on cash basis as opposed accrual basis of accounting.

Cash and cash equivalent of the municipality is made up of cash in the primary and all the short term investment

COMMENT ON CASH-FLOW OUTCOMES:

Cash and cash equivalent at the beginning of the financial year was R 5 715 066 and when comparing this to the cash and cash equivalent as at end of 2022/23 financial year, the results reflects a increase in cash and cash equivalent to R12 818 683 and this portrays a positive picture about cash management of the municipality. The municipality still has an unfavourable liquidity ratio. Cognizance should be taken that the municipality is still dependent on grants since a major portion of revenue realized is made up of Transfer recognized (both operating and capital).

COMMENT ON BORROWING AND INVESTMENTS:

The Municipality has a recurring and short term investment with ABSA

PUBLIC-PRIVATE PARTNERSHIPS

Not applicable

COMPONENT E: OTHER FINANCIAL MATTERS

SUPPLY CHAIN MANAGEMENT

The financial statements for the 2022/23 financial year present an irregular expenditure of R 89 546 242 as opening balance and during the year irregular expenditure amounting to R33 278 971 was incurred This leaves the municipality with overall irregular expenditure of R 122 825 213 that emanated from procurement of goods and services without fully following the supply chain management processes

The municipality has started with the implementation of central supplier database that has been rolled out by National Treasury with the intention of maintaining a database of organisations, institutions and individuals who can provide goods and services to government institutions. This database serves as the single source of key supplier information for organs of state and it provides consolidated, accurate, up-to date, complete and verified supplier information to procuring organs of state.

The Municipality has an SCM policy in place to minimize fraud and corruption. There are SCM committees in place that are reviewable as and when required to ensure value for money in awarding of tenders. For the year under review, 24 tenders were awarded.

- The council has adopted an SCM policy in terms of SCM regulation 3.
- The SCM unit consists of three full-time staff; three positions (Manager, Accountant SCM, and Procurement officer.
- A report on the implementation of the SCM policy is presented to the Mayor every quarter.
- Needs assessments are undertaken for each acquisition and preferential policy objectives identified.
- Threshold values in the SCM policy are aligned with values stipulated in regulation 12.
- Municipal bid documents comply with MFMA circular 25.
- Records of tenders and all other bids received and awards made.

- All bid committees were established and appointed by the Accounting officer.
- Note: MFMA S110-119; SCM Regulations 2005; and relevant MFMA circulars set out required processes and guidance manuals to help ensure that SCM arrangements provide appropriate goods and services, offer the best value for money, and minimize the opportunities for fraud and corruption.
- 10 Tenders were advertised during 21/22
- All tenders were advertised in the newspaper and on the municipal website
- 10 Tenders were evaluated, adjudicated, and awarded during 21/22
- 29 formal quotations were awarded(R30000.00 up to R200000.00)
- 110 Procurement below R30000.00
- 132 BEE beneficiation awarded for the financial year 2021/2022

GRAP COMPLIANCE

GRAP is the acronym for Generally Recognized Accounting Practice and it provides the rules and principles by which municipalities are required to abide by in preparing the financial statements. Successful GRAP compliance and implementation will ensure that municipal accounts are transparent, comparable and more informative to the users of the financial statement. Musina Local Municipality annual financial statements for the year 2022/23 were presented in line with GRAP requirements.

CHAPTER 6
AUDITOR GENERAL AUDIT
FINDINGS

Report of the auditor-general to Limpopo Provincial Legislature and Council on Musina Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Musina Local Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2023, statement of financial performance, statement of changes in net assets, and cash flow statement and statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Musina Local Municipality as at 30 June 2023 and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA), and the Division of Revenue Act 5 of 2022 (DoRA).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

RESTATEMENT OF CORRESPONDING FIGURES

7. As disclosed in note 38 to the financial statements, the corresponding figures for 30 June 2022 were restated as a result of an error in the financial statements of the municipality as at, and for the year ended 30 June 2023.

IMPAIRMENT OF RECEIVABLES

8. As disclosed in notes 3.1, 3.2 and 4.1 to the annual financial statements, impairment of receivables to the amount of R53 002 301 for exchange transactions and R4 864 221 for non-exchange transactions was made due to the low recovery of debtors.

Unspent transfers and subsidies

9. As disclosed in note 15.1 to the annual financial statements, the municipality materially underspent the Municipal Infrastructure Grant (MIG) by R6 552 761.

Other matters

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.

UNAUDITED SUPPLEMENTARY SCHEDULES

11. The supplementary information set out on pages XX to XX does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP, the MFMA and DoRA and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

16. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected development priorities presented in the annual performance report. The accounting is responsible for the preparation of the annual performance report.
17. I selected the following development priorities presented in the annual performance report for the year ended 30 June 2023 for auditing. I selected development priorities that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

Development priority	Page numbers	Strategic objective
KPA 1: basic service delivery	[XX]	To initiate and improve the quantity and quality of municipal infrastructure services
KPA 5: spatial rationale and local economic development	[XX]	To create a conducive environment for sustainable economic growth

18. I evaluated the reported performance information for the selected development priorities against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
19. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives.
 - the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements.
 - the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated.
 - the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents.

- the reported performance information is presented in the annual performance report in the prescribed manner.
 - there is adequate supporting evidence for the achievements reported and for the reasons provided for any over- or underachievement of targets / measures taken to improve performance.
20. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.
21. The material findings on the reported performance information for the selected development priority are as follows:

KPA 1: BASIC SERVICE DELIVERY

Commencement of electrification project in Rhino Ridge

22. I could not determine if the predetermined nature and required level of performance and/or method of calculation used when measuring the achievement of the target of commencement of the electrification project in Rhino Ridge was correct, as the indicator is not measurable and verifiable. The processes and systems that produce the indicator could not be validated.

Other matters

23. I draw attention to the matters below.

ACHIEVEMENT OF PLANNED TARGETS

24. The annual performance report includes information on reported achievements against planned targets and provides explanations for over- or under achievements / measures taken to improve performance. This information should be considered in the context of the material findings on the reported performance information.

MUSINA
LOCAL MUNICIPALITY

BASIC SERVICE DELIVERY

Targets achieved: 25%

Budget spent: R31 738 960

Key service delivery indicator not achieved	Planned target	Reported achievement
Number of the Tshikudini Community hall constructed	1	0
Number of Lesley Manyathela stadium rehabilitated	1	0
Number of the Mabvete community hall constructed	1	0
Number of the Shakadza multi-purpose centre constructed	1	0
Kilometers of the Nancefield Ext 9 and 10 paved road constructed (Phase 2)	1.1km	0
Commencement of electrification project in Rhino Ridge	1	0

MATERIAL MISSTATEMENTS

25. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information for basic service delivery. Management did not correct the misstatement and I reported material finding in this regard.

Report on compliance with legislation

26. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
27. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
28. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.

29. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

EXPENDITURE MANAGEMENT

30. Money owed by the municipality was not always paid within 30 days/ an agreed period, as required by section 65(2)(e) of the MFMA.

CONSEQUENCE MANAGEMENT

31. Unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.
32. Irregular expenditure incurred by the municipality were not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.
33. Fruitless and wasteful expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

HUMAN RESOURCE MANAGEMENT

34. Financial interest was not disclosed by senior managers within 60 days from date of appointment, as required by 36(1)(a) on appointment and conditions of employment of senior managers.

Other information in the annual report

35. The accounting officer is responsible for the other information included in the annual report, which includes, the audit committee's report. The other information referred to does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported on in this auditor's report.
36. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
37. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected development priorities presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
38. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have

to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

39. I considered internal control relevant to my audit of the consolidated and separate financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
40. The matters reported below are limited to the significant internal control deficiencies that resulted in the basis for the opinion and the material findings on the annual performance report and the material finding on compliance with legislation included in this report.
41. There was no adequate review and monitoring of compliance with applicable laws and regulations.
42. The leadership did not have an adequate record keeping system to enable reliable reporting on performance achievement and retrieving of supporting information used to prepare the annual performance report.

COMPONENT B: AUDIT COMMITTEE COMMENT

Audit and Performance Audit Committee Report to the Council of Musina Local municipality for the financial year ended 30 June 2023

Audit committee members

The Audit and Performance Audit committee has met four times during the financial year under review. The senior managers of the municipality are the permanent invitees to the Audit and Performance Audit committee meetings.

The internal audit unit has unrestricted access to bring any matter within their scope and responsibility to the attention of the committee.

The members of the audit committee are all independent of the Municipality and are listed hereunder:

Name of the Member	29/05/2023	29/08/2023	27/09/2023	28/11/2023
Adv. EN Lambani Appointed 30 August 2021 (chairperson)	✓	✓	✓	X
Mr FN Ndou Appointed 30 August 2021 (member)	✓	✓	✓	✓
Mr NJ Marofane Appointed 30 August 2021 (member)	✓	✓	✓	✓
Ms FJ Mudau Appointed 30 August 2021 (member)	✓	✓	✓	✓

Audit Committee responsibility

The audit and performance committee reports that it has complied with its responsibilities arising from section 166 of Municipal Finance Management Act, 2003, (Act 56 of 2003), section 79 of Municipal Structures Act 117, 1998 (Act 117 of 1998) and paragraph 14 (2)(a) of the Local Government: Municipal Planning and Performance Management Regulations, 2001 and the King IV Report on the Best Practices on Corporate Governance for South Africa. The audit and performance committee also reports that it has adopted appropriate formal terms of reference as its audit and performance committee charter, and regulated

its affairs in compliance with this charter and has discharged all its responsibilities as contained therein.

The effectiveness of internal control

The systems of internal controls applied by the Municipality over financial management are effective, efficient and transparent. In line with the MFMA and the King IV Report on Corporate Governance requirements, Internal Audit provided the audit committee and management with assurance that the internal controls of the Municipality have been fairly designed, are efficient and effective.

This was as a result of adequate internal control processes, as well as the implementation of identified corrective actions and suggested enhancements to the controls and processes.

From the Audit Report of the Auditor-General South Africa on the annual financial statements of the municipality, it was noted that the Municipality obtained an unqualified audit opinion for the year under review which is an improvement from the previous financial year.

The Audit and Performance Audit committee would like to encourage the municipality Council and management to improve this outcome. We further recommend that management implement an action plan to address all the findings raised by the Auditor General in order to strengthen the efficiency and effectiveness of the systems of internal controls over financial reporting, performance reporting and compliance with laws and regulations.

Evaluation of Annual Financial Statements

The Audit and Performance Audit committee has:

- Reviewed and discussed the audited annual financial statements to be included in the annual report, with the Auditor-General and the Municipality management;
- Reviewed the Municipality compliance with legal and regulatory provisions;
- Reviewed the Auditor General's management report and audit report
- Reviewed significant adjustments resulting from the audit.

Internal audit

The Audit and Performance Audit committee noted that the internal audit function is not operating effectively due to capacity constraint and recommend that this management address the matter.

Internal audit performed the audit of internal controls of the Municipality and through the information provided. The Audit and Performance Audit committee is satisfied with the effectiveness of the internal controls during the financial year. The committee has noted that there is adequate monitoring, oversight and implementation by management in managing internal controls.

Risk management

The Audit and Performance Audit committee is satisfied with the performance of risk management during the year under review.

The committee recommends that management ensure there is improved co-ordination between risk management and strategic planning functions, so that resources can be allocated in an optimal manner to address the top risks.

Pre-determined objectives

The Audit and Performance Audit committee is satisfied that preparation and reporting on pre-determined objectives of the Municipality has improved from the previous reporting period and recommended that continuous training should be provided to the Performance Management System office.

Evaluation of the effectiveness of finance function

The Audit and Performance Audit committee considered and reviewed the performance of the Chief Finance officer and finance function and is satisfied that the resources and expertise of the finance function are adequate and appropriate.

Auditor-General of South Africa

The Audit and Performance Audit committee in consultation with management, agreed to the terms of the engagement. The audit fee for the external audit has been considered and approved taking into consideration such factors as the timing of the audit, the extent of the work required and the scope.

The committee concur with and accept the Auditor-General of South Africa's report on the annual financial statements and are of the opinion that the audited annual financial statements should be accepted and read together with the report of the Auditor-General of South Africa. The auditors remained independent throughout the financial year.

Appreciation

The Audit and Performance Audit committee would like to thank Municipality Council, Management and the staff for their continued commitment to improve effective control environment and good governance of Municipality.

Our appreciation is also extended to the team from the Auditor General South Africa for the value that they continue to add to the Municipality.
