1. MUNICIPAL LOWER LAYER SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN

The manager level gave SSBIP managers more additional information on each corporate responsibility level and taking these inputs to each middle-level and senior manager. Much of this lower level detail of the SSBIP will largely only be the senior manager in charge who will carry such detail to his middle-level and junior level managers. Corporate responsibility is a continuous cascade in the way we do our job and across the many facets of the many divisions. Only the highest level of information of the SSBIP will be made public or shared in the board.
